Upon arrival, he observed some pieces of wood on the side of the road, but they were not causing any harrard. I advised him to send the dispatcher a message via the MCT that the road was clear. Ofc. Torres did as he was instructed. Ofc. Torres than marked inservice from the complaint.
#1531 SEG #7 Rating 2	SUSPICIOUS PERSON - Delong Dr. / Durer Ct. - Ofc. Torres self-dispatched to a suspicious person(s) complaint. He consulted his map book for directions. Upon making his route of travel, he missed the turn for a main street (Southrun Rd.) twice in attempts to respond to the call. Ofc. Torres was reminded not to get overly frustrated when missing a turn, but rather simply turn around in a safe location and get back on track. Prior to Ofc. Torres' arrival to the event, he was advised to disregard by the area unit. Ofc. Torres then marked inservice.
#1600 SEG #7 Rating 2	TRAFFIC STOP - Interstate 95 / Lorton Rd. - Ofc. Torres was driving on I-95 enroute to his patrol area. He observed a vehicle with an expired VA state license plate. Ofc. Torres activated his emergency lights and signaled the driver to pull over. Upon doing so, Ofc. Torres realized that he could not park his crusier at an angle behind the suspect car due to the heavy traffic conditions. Ofc. Torres was advised to attempt the best off-set angle he could due to the conditions. He was also instructed to conduct his traffic stop interaction with the driver from the passanger side of the suspect car. Ofc. Torres used the radio to mark out on the traffic stop. Upon doing so, he asked what his location was. He was advised that he was on S/B I-95 one mile prior to Lorton Rd. Ofc. Torres finished marking out via radio on the traffic stop and approached the car. He remembered to press his fingers on the rear of the car upon approach. Ofc. Torres advised the driver of the infraction and asked for their drivers license and registration. Although it was hard to hear, due to the road noise, it was evident that the driver was unhappy with Ofc. Torres. Ofc. Torres remained calm and did not allow the person to upset his attitude. Ofc. Torres returned to the crusier and ran a DMV check on the driver and vehicle via the MCT. Ofc. Torres then completed a summons for the expired license plates. He was reminded that on a state code that is encorporated into the county code for traffic offences, he must write "82-1-6" and then the state code in parenthesis. Ofc. Torres returned to the suspect vehicle and issued the driver the...

#1600 Continued	...summons. Ofc. Torres then returned to the crusier. He was reminded to advise the dispatcher he was "10-4 10-6." His summons was neatly written and only needed to have the subsensus number written on it. He then marked inservice. I advised Ofc. Torres that he needs to keep his emergency lights on when leaving the shoulder of the road and entering back onto the highway for his safety. When asked what the discontent was from the driver, he stated that she asked him if he was sure he was still in Fairfax County; thus making sure the summons was written in the correct jurisdiction.
#1658 SEG #18 & 19	VEHICLE FIRE (POLICE SERVICE) - [redacted] Ofc. Torres was dispatched to a vehicle fire. Ofc. Torres responded to the location in a safe manner. While enroute to the call, I advised Ofc. Torres that an FR-300 would need to be completed for a vehicle that is in motion, driving on the road when a fire occurs. However, if the vehicle is parked, and a fire occurs for an unknown, mechanical reason, then it is a service and that Fire & Rescue will handle the event. We also spoke about the possability of an arson case and that we would assist in the investigation and that the Fire Marshall would handle the follow-up investigation. Upon arrival to the address, Ofc. Torres pulled his crusier to the side of the road, as we could not block the road yet due to Fire & Rescue not arriving on scene yet. The vehicle was parked in the driveway of the address and fully engulfed in flames. Ofc. Torres met with the owners to ensure the car was empty (of passangers). Ofc. Torres was advised to obtain the owners information to include vehicle and insurance information as well as the circumstances of the fire to file a service report. Nothing suspicious was found in regards to the event. Ofc. Torres also had to deal with a disabled motorist that was blocking the driveway of the house leading to the fire. He was able to see that he must plan several steps ahead upon arrival to a scene; coordinating tow trucks, blocking traffic, requesting addition units, etc. Ofc. Torres cleared the event as 10-98 Police Service. He wrote a PD-42 to document the event. His report was neat and contained the needed information.
#1805 SEG#7 Ratng 2	DOMESTIC DISPUTE - [redacted] - Ofc. Torres was dispatched to a domestic dispute. He consulted his map book for directions and planned out a route. Upon arrival to the location, he was passing the intersection where he needed to turn and made an unsafe wide sweeping right turn onto the street he needed to go onto. He located the address of the event and parked in a safe location. Upon reaching the door, he listened, hearing nothing, he knocked at the door. He was met by the complainant. I had reminded Ofc. Torres to separate the two parties and interview one as his backup officer spoke to the...

SEG #18 &19 Rating 2	...other subject. Ofc. Torres asked the complainant as to the nature of the dispute and the need to have police called. upon listening to a long account of the event, Ofc. Torres neglected to use his 007 notebook to write down any of the material that was just provided by the complainant. Prior to speaking to the other subject in the home, he was reminded to obtain the complainants information for the report. Ofc. Torres then spoke to the complainants wife to gain her side of the event. Ofc. Torres was able to establish that no criminal activity had taken place. He obtained the information of this subject as well as the childrens information. There was still a sence of conflict in the residence. I advised Ofc. Torres that he sould ask if one person might want to leave the home to allow a cooling off period of time. He asked the complainant, and he agreed to do this. Ofc. Torres provided a business card with case number to both subjects. He was also given the phone number for Victim Assistance and the Domestic Violence Coordinator so they could be given to the complainant and his wife. Ofc. Torres marked the event as 10-98 "Domestic Dispute." Ofc. Torres advised me he never handled a domestic dispute before. Ofc. Torres wrote a PD-42 to document the event. The report was neatly written and contained the needed information.
#1900	UNAUTHORIZED USE (CIVIL REPORT) - [redacted] - Ofc. Torres self-dispatched to an unauthorized use report. He located the address without delay, as he called going to that general area in the past. Upon arrival, he met with the complainant. Ofc. Torres listened to the complainant, and then realized that the event was a civil dispute. The complainant was unhappy due to getting in legal trouble over the misuse of the vehicle by the subject she lent it to. Ofc. Torres obtained the complainants information, her vehicle's information as well as information on the subject she lent it to. Ofc. Torres only had limited information on this subject as provided by the complainat. Ofc. Torres provided the complainant with a business card and case number. I advised Ofc. Torres to have the PCA at station 7 use the CICS computer to locate any prior police contacts, but none were found on the subject. Ofc. Torres did a good job realizing no crime occurred and that the mater was civil. He wrote a PD-42 to document the event. Again, his report was neatly written and contained the needed information.

#2085 SEG #7 Rating2	INVESTIGATION - [redacted] Ofc. Torres needed to speak with a subject in regards to an assault report. He needed to obtain information on witnesses who were present during the assault and obtain their information for a subpoena. Ofc. Torres consulted his map book for directions and planned his route. Ofc. Torres missed the street he needed to turn onto. After several blocks of travel, I asked him if he knew where he was going. Ofc. Torres advised he did not. I advised Ofc. Torres that he missed his turn some time ago and directed him to the location. Once on scene, Ofc. Torres was able to speak to a subject and obtain the information he needed. At the end of the shift, Ofc. Torres completed a witness subpoena and needed no assistance at completing it.
#2143	POLICE SERVICE - [redacted] Ofc. Torres responded to assist Franconia units on an investigation involving a weapons violation. Ofc. Torres met with other station 7 units as well as station 6 units to arrange a plan and obtain the background information on the event. Ofc. Torres assisted as a perimeter unit on the event. After the scene was secure and the subject was taken into custody, Ofc. Torres met with the station 6 officers for a de-briefing on the event. Initially, Ofc. Torres did a good job observing the house had an exterior camera that might reveal our actions outside of the house. Upon conclusion, I advised Ofc. Torres on how to "96DUP" the event to unit 611C as the police service was simply the checking of the house for the suspect in regards to his (611C) weapons complaint
#2548	WARRANT ARREST - [redacted] Ofc. Torres was approached by two citizens while on his meal break. The citizens advised they thought they knew the location of their run-a-way son. Ofc. Torres immediately cleared his meal break and assisted other units in the search for the subject. Ofc. Torres, his FTI, and another officer coordinated with another on the search. The search resulted in negative results. He then marked inservice
#2642	STATION - Station 7 - Ofc. Torres responed to the district station to refuel his crusier and complete his reports.

Areas in need of more training. List and/or Describe:

At the start of the shift, Ofc. Torres was reminded to inspect his cruiser for damage and operation. He was also reminded to check the back seat for contraband and ensure the shotgun was in crusier ready condition. Ofc. Torres needs to pay attention to his location and area around him as well as map reading skills. I advised Ofc. Torres to use a highlighter to mark all main roads and shortcuts in the disctrict to help him identify the roads faster. Ofc. Torres needs to remember his 007 notebook (not let it in the crusier so frequently) and write down the information he is told by citizens to aid in an investigation. While enroute to calls, we spoke about the different ways to handle calls for service as well as reviewed the five exceptions to a warrantless arrest; Destruction of commercial property, Shoplifting,Weapon on school property,Assault, and Brandishing of a firearm. Ofc. Torres completed a suplemental PD-42S on an assault case that was returned from the crime analysist. Ofc. Torres had to change the type of event that was originally indicated on his original PD-42. His report was neat and contained the needed information to make the change.

Specialized training. List any training provided today that was not included in the daily summary (i.e., mock traffic stops, map reading drills, building searches, etc.)

#1735	WELLNESS - Station 7 - Ofc. Torres had the opportunity to do early wellness after rollcall. He was shown the station weight room and equipment. Ofc. Torres was advised on the General Orders / SOP pertaining to wellness. He used this time to use the free-weights.
#2050 SEG#19 ating2	TRAFFIC STOP - Gambrill Rd. / Vogels Way - Ofc. Torres observed a vehicle with a defective brake light. He found a safe location to stop the vehicle and at such time activated his emergency lights. Ofc. Torres used the radio to mark out on the traffic stop. The dispatcher did not understand the location that he had given. He advised the dispatcher again, and still she did not understand. I used the MCT to send the dispatcher our location. He parked his crusier in a safe manner. Upon approaching the vehicle, he pressed his fingers on the rear of the car. Ofc. Torres advised the driver why she was stopped and then told her to stay in the vehicle. Ofc. Torres returned to the cruiser and decided to write a warning for the infraction. He completed the warning and stated he did not know what the "SCT" box stood for. He was advised this is the subsensus tract number. Ofc. Torres started to exit the cruiser. I remained in the cruiser and asked him if the driver was wanted or vehicle listed as stolen. This promted Ofc. Torres to remain in the cruiser and conduct DMV and wanted checks. Ofc. Torres then exited the cruiser and issued / explained the warning. Ofc. Torres remained calm, although the driver was upset over the stop. Ofc. Torres returned to the cruiser and marked inservice. He was reminded to keep his emergency lights on when merging back onto the highway. After the traffic stop, I advised Ofc. Torres of a better way to conduct his interactions with the driver, by introducing himself and then asking for the driver's license, etc. as to avoid conflict from the start and then advise why he stopped the vehicle.
#2135	PARKING VIOLATION - Silverdale Rd. / Southrun Rd. - Ofc. Torres was flagged down by a citizen while on patrol. Ofc. Torres was advised that several vehicles were thought to be sharing license plates. Ofc. Torres was shown the suspect vehicles by the citizen. He then went to the vehicles to investigate. Ofc. Torres ran DMV checks on the displayed license plates and found they did not belong on the vehicles. Ofc. Torres then checked the VIN numbers of each vehicle in attempts to locate any wants. Nothing was listed as stolen. Ofc. Torres issued parking tickets to three vehicles. Each vehicle, he issued a ticket for no / improper license plates and no state inspection. Ofc. Torres was...

...advised to record all of the license plate and vehicle information into his 007 notebook incase he needs to go to court over the tickets. He was also advised to remove the license plates as they would receive a property card and be placed into the DMV box at station 7 for return to the DMV. Ofc. Torres then was advised to issue an abandonded vehicle (tow-tag) to each vehicle. He was shown how to mark the tires and to keep the bottom portion of the tow tag so that he could come back in four days and check on the cars to be towed. Ofc. Torres advised me he never marked tires before on an abandonded vehicle. I gave him a lumber crayon for marking tires, as he stated he did not have one.

As Ofc. Torres was writing the parking tickets, I was checking pending events and found a "missing adult report" on hold in our patrol area. Upon advising Ofc. Torres that we had a call holding, he advised me "Somoene else can take that report." I asked what he ment by this and he said that another officer could take the report. Ofc. Torres was informed that he is responsible for the calls in his area, surrounding areas and any other calls that come up that would be benefical to handle for learning experience, etc. This did not display a good attitude for police work, especially at the very start of the shift. Ofc. Torres marked the event as 10-99V via the MCT.

MISSING ADULT REPORT - [redacted] Ofc. Torres self dispatched to a missing adult report. He located the address in his map book and responded in an efficient manner. Upon arrival, he met with the complainant. Ofc. Torres started to interview the complainant about the adult in question and then realized he forgot his 007 notebook in the cruiser. Ofc. Torres returned to continue the interview. Again, he

was reminded to write down important details, in this case, type of cars, known locations, friends, people she could be with, etc. Ofc. Torres did obtain this information, but had to be reminded of the important details needed to track down a person. Ofc. Torres did ask pertinent questions as well to aid in the investigation. After obtaining the background information and circumstances, a last known address was used as his starting point for the investigation. The location was in the Franconia district, area 611. I advised Ofc. Torres that we needed to advise our supervisor as well as the station 6 supervisor that we would be in their area on the investigation. Ofc. Torres used his map book to find the new location and used the MCT to change his location. Upon arrival to the new location, he knocked at the door and initially found no answer. I pointed out the vehicle that had been described to us by the complainant as the one owned by the missing adult. Ofc. Torres neglected to record the license plate number of this vehicle and list it in the PD-42. This demonstrated how a simple license plate can give him much needed information for a report. Prior to departure, He knocked at the door...

He offered the service of Woodburn Mental Health and other social services. Finding the woman to be no danger to herself or others and appearing to be able to care for herself, he instructed the woman to get into contact with the concerned complainant. Ofc. Torres later followed up with the complainant to advise of his findings. Although Ofc. Torres had initially completed a PD-135 form, he no longer needed it. Ofc. Torres made this a police service report and saved the PD-135 to send to CIB as an info copy only. Ofc. Torres cleared the event and wrote a PD-42 to document the incident.
#2624	DESTRUCTION OF PROPERTY - [redacted] (Area 611) - Upon concluding the missing adult / police service report, Ofc. Torres was appraoched by a citizen wanting to file a destruction report. Ofc. Torres listened to the subject to gain the information. Ofc. Torres recorded the information into his 007 notebook. He provided a case number to the subject and was advised that he would also forward a copy of the report to the Franconia district. Ofc. Torres was reminded to advise the station 6 and 7 supervisors that he was clear from the area. Ofc. Torres wrote a PD-42 to document the event.
#2401 SEG#2 Rating 2	SUSPICIOUS VEHICLE - Eagle Glen Ter. / Crosspointe Dr. - Ofc. Torres self dispatched to a suspicious vehicle complaint. He recalled the general location, as he was just there last shift. Ofc. Torres responded to the location without delay. Upon arrival, Ofc. Torres checked the general area and did not find the suspect vehicle. He advised the disptacher of this as well. Ofc. Torres marked the event as 10-99U. While enroute to this event, Ofc. Torres wanted to go eat dinner. I advised him we would not, as several calls were pending, north-end units were out on a high priority case, and the dispatcher and squad mates would be less than supportive of this type of action at the current time. Ofc. Torres accepted this and went on to handle more calls for service.
#2590	POLICE SERVICE - [redacted] Ofc. Torres self dispatched to a police service to assist Child Protective Services in the removal of three juveniles from the listed address. He responded in an efficient manner. Upon arrival, Ofc. Torres met with the CPS workers near the location. Ofc. Torres interviewed the CPS workers about the family history, any prior cases of violence and any indication that violence may occur. Ofc. Torres was initially focused on everyones safety and asked good questions about this. Ofc. Torres was advised that no violence...

...was expected and that CPS was expected at the home. Ofc. Torres responded to the house, following CPS. He permitted CPS to make contact with the family. Ofc. Torres followed CPS workers inside the home. Ofc. Torres made an attempt to help establish rapport with the juveniles. Ofc. Torres remained in the living room area with two juveniles and two CPS workers. The mother of the juveniles became extremely distraught. Ofc. Torres remained in the same location. The mother of the juveniles had obtained a cutting instrument and held it to her throat. With no time for delay, this FTI took action and ordered the subject to drop the scissors that she was using to cut open her throat. Opportunity presented itself for this FTI to enguage the subject and disarm her as well as deploy O.C. spray. This FTI was holding the subject down and had to request Ofc. Torres to assit and apply handcuffs. Ofc. Torres was in visual range to observe all the aformentioned actions, but did not notice that O.C. had been used. This FTI had to radio for assistance, as the scene had become near chaos. One of the juveniles had run off, and Ofc. Torres went to locate him. I was unaware where Ofc. Torres went to, as the juvenile ran to the basement, and Ofc. Torres ran out the front door. This FTI radioed DPSC to call for Ofc. Torres. He did not answer his radio. Ofc. Torres returned with the juvenile. This FTI advised DPSC that Ofc. Torres had returned to the scene. Upon securing the scene with additional officers, I instructed Ofc. Torres to get a wet towel and help clean the face of the detained subject (aiding in the removal of the O.C.) Afterwards, Ofc. Torres was instructed to hold the subject as I advised the supervisor of the events. Upon return, I found Ofc. Torres holding the subject on the floor of the living room. Going to his aid, he advised that she had spit in his face. I asked Ofc. Torres if it was intentional, or inadvertently due to the O.C. He advised it was intentional and that facilitated the transfer of the subject to the floor in order to stop the aggressive act. As we were both holding the subject, I informed Ofc. Torres to get treated by Rescue and advise the supervisor. To my surprise, Ofc. Torres stood up, reached in his pocket and pulled out his cell phone. Ofc. Torres started to send someone a text message on his cell phone. Ofc. Torres was ordered to put his phone away and that this was NOT the time for such activities. Ofc. Torres did as he was instructed. I had another officer relieve Ofc. Torres to seek treatment. Ofc. Torres then followed Medic unit 419 to Fairfax Hospital. Upon arrival to the hospital, Ofc. Torres briefed the ER staff as to the nature of the case and the alleged overdose of pills the subject had also claimed. Ofc. Torres was reminded to obtain the names of the Doctors, nurses, Psyc. staff, etc. that assisted on the event. He was also reminded to obtain the names of the hospital security officers who applied restraints to the subject. Ofc. Torres double checked with the ER doctor that...

#3190	STATION - Station 7 - Ofc. Torres responded to the station to refuel his cruiser and complete his reports. As it was almost the end of the shift, Ofc. Torres was reminded that time was a limited factor and he needed to do his reports. While writing his reports, Ofc. Torres also spoke with the supervisor about the compromised exposure and he had phone calls to take in relation to this. Ofc. Torres was advised to call the overdose case into DPSC as result of the assault that had taken place and have it for inclusion on the DAR. Ofc. Torres intends to obtain an assault warrant on the subject from the overdose / assault on police officer / police service case. Ofc. Torres was at the station a considerable amount of time writing his reports. However, his reports were well written and detailed. Although Ofc. Torres wanted to go home, he was instructed to complete his reports before going home. Ofc. Torres did as he was instructed.

Areas in need of more training. List and/or Describe:

Ofc. Torres continues to be unaware of location / surrounds when conducting traffic stops; (SEG #7 Rating 2). Ofc. Torres developed a bad habbit of not using his turn gnals and not coming to complete stops at stop signs. He was advised to comply with traffic laws. He was also advised of the consequences of bad driving behavior such as a complaint in his file; (SEG #7 Rating 2). Ofc. Torres neglected to retain custody of the license plates from his parking violation. The license plates were found in the trunk of the cruiser by his FTI long after Ofc. Torres had gone home. I completed a property card for the license plates and placed them into the DMV box at station 7 as Ofc. Torres had been instructed to do; (SEG #3 Rating 2). Ofc. Torres will be informed of this error on 10-13-06, his next shift, and the consequences, especially if it was key evidence to an investigation or crime scene. Ofc. Torres needs to ignore his cell phone unless it is an emergency or necessary call. He appeared to be easily destracted by it today a times, especially durring event #2590, taking time to send a text message via cell phone after being spat at in the face by an overdose subject who moments before was weilding a cutting instrument to her throat and caused his FTI to take action to subdue her; (SEG 12 Rating 1). Ofc. Torres was advised of his grave error in judgement and in officer safety. Should this type of an event occur again, I will recommend substandard performance discipline be enacted. Ofc. Torres agreed this action was improper and took responsibility for his actions. Ofc. Torres learned the procedure for reporting a Compromised Exposure to the supervisor, paperwork involved and how to call a case into the DAR at DPSC.

Ofc. Torres' squad had active shooter training at the end of the shift, but he and his FTI were unable to participate due to Ofc. Torres needing to write his reports.

#1360	FRAUD REPORT [redacted] Ofc. Torres was dispatched to a fraud report. He located the address of event in his map book. Ofc. Torres made a route of travel and responded without delay. While enroute, he appeared to be very attentive to his directions and street signs so that he could respond in a timely manner. Upon arrival, Ofc. Torres met the complainant. Ofc. Torres obtained a brief background on the event, and used his 007 notebook to record the details. Ofc. Torres obtained the victim's identification as well as his wife's information. Ofc. Torres did a good job at paying attention to details such as account numbers, person's of interest, and company names and addresses for later documentation in his report. He was also able to obtain a photo-copy of a letter that the victim was planning on sending the financial instituion in regards to the fraud and alleged bank loan, etc. Ofc. Torres attached this to the copy sent to CIB at the end of the shift, as it also listed importance account information. Ofc. Torres gave advice of following up with the bank to assist in correcting the possible errors of fraudulent account information. Ofc. Torres knew this report would be TOT-CIB Financial Crimes Division. He advised the victim of this as well. Ofc. Torres provided a business card and case number to the victim. Ofc. Torres wrote a detailed report that was neatly written and contained the necessary information for CIB to conduct follow-up investigations. Upon marking inservice, me marked the event as 10-98.

#1500	DOMESTIC DISPUTE - [redacted] Upon clearing the fraud report, Ofc. Torres heard the dispatcher send two north-end units to a domestic dispute he was near. I advised Ofc. Torres we should back on the domestic and send one of the north-end patrol units inservice. Ofc. Torres agreed this was a good idea. Ofc. Torres consulted his map book and made a route of travel. He was first to arrive on the scene. Ofc. Torres used his radio to ask the back-up unit of their ETA. Ofc. Torres learned the back-up unit was very close to the scene. Ofc. Torres tactfully approached the residence. He stood to the side of the front door and listened for any noise from within the residence. Ofc. Torres then knocked on the door, found it was slightly ajar, and announced "Fairfax County Police." Ofc. Torres met with a woman at the front door, he asked her to step outside and if there was anyone else in the home. He obtained a quick brief as to what was going on inside. As his back-up unit arrived, he had the husband step outside as well. Ofc. Torres interviewed both parties, and determined no criminal violation had taken place. He advised both parties to remain civil and provided a business card and case number. Ofc. Torres then marked the event as 10-98.
#1642	MECHANICAL - Station 7 - Ofc. Torres had to respond to the district station and obtain a new cruiser. The cruiser he was driving developed a radio problem and would constantly power-down. He was advised this is an officer safety issue and that we would need to obtain a new cruiser for the remainder of the shift. Ofc. Torres located another cruiser at the station and performed an inspection on it to find no problems. Ofc. Torres was shown how to complete a vehicle maintenance form and place it on the crusier key board at the station so that the station resource officer could have corrective actions taken.
#1713	STATION - Station 7 - Upon signing on with a new cruiser, Ofc. Torres marked out at the station in order to transfer his gear, etc. and alert the dispatcher we would be available for calls.
#1761	TRAFFIC STOP - Lorton Station Blvd. / Pohick Rd. - Ofc. Torres observed a station wagon with an unrestrained juvenile climbing around in the cargo area of the vehicle. He activated his emergency lights and signaled the driver to stop. He used the radio to mark out on the traffic stop. He was aware of his location when he radioed in. Ofc .Torres parked the cruiser at a safe angle and exited. He pressed his fingers on the rear fender as he approached the driver. He advised as to the nature of the stop and obtained the driver's license and registration. He advised the driver to stay in the car. Ofc. Torres returned to the cruiser and ran DMV and Wanted checks. Ofc. Torres elected to issue a...

#1761 Continued	...warning for the infraction. He returned to the suspect vehicle and explained the warning to the driver and had the juvenile fasten his seatbelt. Ofc. Torres then marked inservice from the event.
#1800	ALARM - [redacted] - Ofc. Torres marked enroute to assist on an alarm call. He consulted his map book and made a route of travel. He responded in a timely manner. Upon arrival, he parked his cruiser in a safe location and approached the house. He checked the perimeter and found no signs of criminal activity. Ofc. Torres issued a PD-209 "FARU" and placed it on the front door of the house. Ofc. Torres then marked inservice as a 10-98.
#1801	ALARM - [redacted] Ofc. Torres responded to a second alarm on the same street and met with the area unit. He checked the perimeter and found no signs of criminal activity. Ofc. Torres spoke to a neighbor to inquire if there was a power outage in the area to cause the alarm calls. The alarm was cleared by the area unit. Ofc. Torres then marked inservice.
#1912	OPEN DOOR - [redacted] - Ofc. Torres marked enroute to assist units on an open door complaint. He responded to the location without the aid of his map book. He responded in a timely manner. Upon arrival, he met the complainaint. Ofc. Torres obtained the background information on the event as well as the complainaint's information. Ofc. Torres awaited his back-up units. Ofc. Torres formulated a plan to have one unit stage at the rear of the house while he and another unit checked the inside. Ofc. Torres used his radio to ask the dispatcher to 10-3 the channel. Ofc. Torres approached the residence, listened for a moment, then knocked and announced "Fairfax County Police. Come out now." He waited for a moment and then made entry. He communicated with his back-up officer and checked the interior rooms. Ofc. Torres checked the residence with his service weapon drawn and flashlight out as taught in the academy. Upon clearing the residence, he advised the dispatcher to clear the channel. Ofc. Torres left a bisiness card on a table with case number and a brief description of why he was at the residence. Ofc. Torres cleared the event as 10-98 Open Door and wrote a PD-42 to document his actions. To note, Ofc. Torres used his resources well on this event, by having one officer watch the rear of the house.
#2111	ANIMAL COMPLAINT - Henderson Rd. / Ox Rd. - Ofc. Torres self-dispatched to an animal complaint. He responded in a timely manner, but could not locate the alleged struck deer. He had the complainant called back to provide more information or a better location...

#2111 Continued	...the complainant was not sure of the exact location. Ofc. Torres checked the area and side streets, but did not locate the deer. Ofc. Torres was quizzed on what he would do if he found the deer and actions to be taken. Ofc. Torres knew it would be an animal destruction case if he had to shoot the deer. He recited the correct response, such as advising the supervisor of the need to destroy the animal as well as writing the report with a copy given to the station captain to be forwarded to I.A. Ofc. Torres then marked inservice from the event.

DOCUMENTATION AND EVALUATION OF DAILY PERFORMANCE

DOR #: 26

Event Number & Corresponding Rating Category if a **1** or **2** is given.	Describe acceptable and unacceptable actions for each event. For the unacceptable actions, list what you instructed, demonstrated or explained to correct the unacceptable actions. *(Remember: report facts not opinions.)*
#1300	ROADCHECK - Rolling Rd. / Springfield Village Dr. - Ofc. Torres and his FTI were assigned a Roadcheck detail by the squad supervisor. The roadcheck was in response to a station initiative. During the roadcheck, Ofc. Torres wrote three warning for persons not wearing seatbelts; which was the focus of the roadcheck. Ofc. Torres wore his "new" yellow/green style traffic vest, patrol hat (not baseball cap) and had his whistle. Prior to the checkpoint, Ofc. Torres scouted the area to find the best and most safe location for enforcement activities. Ofc. Torres was not on the raodcheck very long, as a major crash had occurred on the Fairfax County Parkway, and he was relieved of this duty by the squad supervisor.
#1380	ACCIDENT WITH INJURY / TRAPPED PERSON - Franconia-Springfield Parkway / Rolling Rd. - Ofc. Torres responded to the listed event without delay. Upon arrival, he parked his crusier in a good location to help divert traffic. He activated the emergency lights on the cruiser. Ofc. Torres met with the initial responding officer to obtain a briefing. Ofc. Torres learned that four vehicles were involved; two of which were totaled, and four subjects would need transport to the hospital. Ofc. Torres was instructed to make a quick field sketch of the crash scene and label the license plates on each vehicle in his sketch. Ofc. Torres was shown the skid marks and yaw marks of the vehicles involved. He then went to speak to the drivers that were conscious as well as attempt to locate witnesses. Ofc. Torres obtained as much information as he could at the scene to complete his FR-300. Ofc. Torres completed two vehicle tow-in / inventory forms and awaited the wrecker to arrive. He gave the wrecker driver one copy of the inventory for each vehicle. Upon having the highway cleared, DPSC was notified of the same. Ofc. Torres then responded to Fairfax Hospital. Ofc. Torres located the patients in the hospital. Upon speaking with the driver of the vehicle at fault, Ofc. Torres was met with great resistance including being accused of "picking" on the subject because of his race. Ofc. Torres remained calm and asked pertinent questions in regards to the accident. Through Ofc. Torres' investigation, he found the driver was not the owner nor relative of him. Ofc. Torres had to spend a great deal of time in locating the owner of the car to ensure the car was not stolen. Ofc. Torres discovered the car was lent to the driver by the son of the owner and infact, was not stolen. Ofc. Torres ran DMV / wanted checks on the subjects at the hospital by calling the station PCA....

#1380 Continued	...Ofc. Torres found no wants nor warrants on his subjects. Ofc. Torres issued a summons for reckless driving as well as driving on a suspended license. He also completed a DMV notice of suspension form. Ofc. Torres interviewed the passanger of the vehicle at fault as well as two victims from the crash at the hospital. While at the hospital, Ofc. Torres met with the owner of the car to obtain background information on why the subject was driving the car, etc. Ofc. Torres explained the steps that would be taken and provided a business card and case number to the parties involved. Once back at the station, near the end of the shift, Ofc. Torres placed telephone calls to all parties involved to advise them of everyones information for insurance purposes. Ofc. Torres wrote an FR-300 that was mostly complete, he had forgotten to write the narrative and list a landmark. The perimeter boxes were fine, with exception of a few. We talked about why he had listed certain actions in the boxes and how / why they needed to be changed. Upon drawing the diagram of the crash scene, Ofc. Torres realized why I asked him to make his sketch of the scene upon his initial response. I had Ofc. Torres do one diagram in pencil so that he could figure out the logistics and crash squence. The final copy, he did in ink once he was satisfied on that diargam. Ofc. Torres spent the majority of the shift working on this accidnet and the paperwork involved for it. He advised me this was the first major accident / crash scene that he worked. He marked the event as a 10-98 and completed the FR-300. He was also reminded to send the carbon copies of the vehicle tow-in / inventory froms to the drivers / owners of the vehicles involved.
#2285	INVESTIGATION - Station 7 - Ofc. Torres marked out at the district station to make phone calls to the persons involved in the crash as well as complete his paperwork. Ofc. Torres spent a considerable amount of time on his report. He needs to remember to write down vehicle information when he has it, as not to try and relocate the same information later on in the shift.

Areas in need of more training. List and/or Describe:

N/A

Specialized training. List any training provided today that was not included in the daily summary (i.e., mock traffic stops, map reading drills, building searches, etc.)

Ofc. Torres was more focused on his duty and more careful in his interactions, such as responding to calls, map reading skills, etc. He has made a great improvement in his onduct over the last three days. I advised Ofc. Torres of this as well and told him to eep up the good work he has done and that his skills and time spent on calls will imporve with time and cases handled. I also advised Ofc. Torres that if he has questions or needs to advise me so that it will benefit his training. Overall, I was pleased to see such a great imporvement in the past three days.

#2479 SEG#7 Rating 2	SEX OFFENCE (SUSPICIOUS EVENT) - [redacted] - Ofc. Torres was dispatched to a sex offence at the listed address. Ofc. Torres chose a longer response route than needed. He was advised of a faster route that he could have taken to respond by. Ofc. Torres was driving in an aggressive manner that would be fine for an in progress call, however, this complaint was simply two people having intercourse in a vehicle. He was advised to take in the type of event and what is reported and respond accordingly. Upon arrival, Ofc. Torres checked the area, but did not locate the subjects. Ofc. Torres attempted to stop a vehicle he thought was involved in the event, but was stopped by his FTI, as the vehicle he was going to stop did not match the vehicle in the event. (The event listed a white Dodge van, the vehicle he was going to stop was a white Ford truck.) Ofc. Torres documented the event on a PD-42 and attempted to call the complainant for more information, however, the complainant could not be reached. Again, Ofc. Torres' report was neat and well written. He sent a copy of the report to CIB-Sex just incase a complaint arised.
#2492	TRAFFIC CONTROL - Lorton Rd. / I-95 - Ofc. Torres was dispatched to a traffic control event. He responded without incident. Upon arrival, Ofc. Torres appeared to be a little stressed about having to direct traffic at this intersection. Ofc. Torres was advised that if he had to direct traffic, he would do so with another unit as it was a large intersection and it was dark out. Ofc. Torres was advised to observe traffic for any major delays and to request a unit with a traffic key to re-set the lights. Ofc. Torres made the request, and at such time, met with squad supervisor. Ofc. Torres was shown how lights are re-set in the VDOT control box and advised not to touch any of the equipment / circuit boards, etc. inside the box. After the lights were re-set, Ofc. Torres observed traffic at the intersection and made sure the lights were working properly. He then marked inservice from the event.
#2654	ANIMAL DESTRUCTION - Lorton Rd. / Furnace Rd. - Ofc. Torres was dispatched to an animal complaint of a struck deer. Ofc. Torres responded without incident. Upon arrival, he met with the complainant. Ofc. Torres checked for the driver who struck the deer, however, the driver had departed the scene. Ofc. Torres was eager to simply shoot the deer, however, he was advised of several steps that must be taken before he destroys the animal. Ofc. Torres was advised to stop traffic in all directions. He was then advised to have the nearby motorists remain in their vehicles. Ofc. Torres was then advised that the deer is needed to be destroyed due to its location on the road posing a hazzard to motorists. He was then advised to call the dispatcher and have the supervisor advised that he would be discharging his service weapon...

Event Number & Corresponding Rating Category if a **1** or **2** was given.	Describe acceptable and unacceptable actions for each event. For the unacceptable actions, list what you instructed, demonstrated or explained to correct the unacceptable actions. *(Remember: report facts not opinions.)*
#1722	WELLNESS - Station 7 - Ofc. Torres participated in the wellness activity program at the start of his shift.
#2297	TRAFFIC STOP - Ox Rd. / Palmer Dr. - Ofc. Torres observed a vehicle with a defective rear brake light. Ofc. Torres followed the vehicle to a safe spot and activated his emergency lights on the cruiser. Ofc. Torres signaled the driver to pull over and marked out via radio on the traffic stop. Ofc. Torres knew the main road he was on, but had to be advised of the cross-street. Ofc. Torres approached the suspect vehicle and placed his fingers on the rear fender of the vehicle. Ofc. Torres met with the driver and advised why she was stopped. Ofc. Torres returned to the cruiser and ran DMV and wanted checks. Ofc. Torres issued a warning for the infraction. Ofc. Torres explained the warning to the driver and then sent her on her way. Ofc. Torres then marked inservice.
#2310 SEG#7 Rating 2	OPEN DOOR - [redacted] - Ofc. Torres self-dispatched to an open door complaint. Ofc. Torres checked his map book for the location of the event. Ofc. Torres chose a longer route to respond from rather than a nearby cut-through street that would have been faster. Upon reaching the Fairfax County Parkway, Ofc. Torres entered the parkway and was headed the opposite direction that he needed to be going. Ofc. Torres realized his error and made a U-turn where it was safe and legal to do so. Ofc. Torres eventually reached the location, however, his back-up officer had already spoken to the complainant and obtained the background on the event. Ofc. Torres asked the dispatcher to 10-3 the channel. He was reminded to knock loud and announce loudly. Ofc. Torres then made entry into the residence. He checked the house and did not locate any signs of criminal activity. Ofc. Torres then advised the dispatcher to clear the channel. Ofc. Torres left a business card in the house. Upon leaving, Ofc. Torres noticed the door lock at the house was defective. He was able to secure the door. Ofc. Torres documented the event on a PD-42. His report was neat and well written.

#2654 Continued	...to destroy the deer. Once the supervisor was direct, he was clear to discharge his weapon. Ofc. Torres was reminded to look at his location and shoot in a direction that was safe, in this case, into the side of a dirt embankment. Ofc. Torres was then advised as to a good location to shoot the deer in efforts to maximize his effectfulness. Ofc. Torres was able to kill the deer after a few shots. He was reminded not to shoot the deer ontop of its head, but behind the ear to make for a successful kill. After the deer was destroyed, Ofc. Torres advised the dispatcher that he had discharged his weapon and that the deer was destroyed. Ofc. Torres then opened the road up to traffic. A citizen stopped to ask Ofc. Torres for the deer. Ofc. Torres provided the citizen with a business card and case number as well as obtained their information to document in the report. Ofc. Torres was advised this report was an "Animal Destruction" and that a copy of the report is given to the station commander so that it can be forwarded to Internal Affairs.
#2739	DISABLED MOTORIST - Furnace Rd. / Lorton Rd. - Ofc. Torres was flagged down by a motorist in need of directions. Ofc. Torres provided directions to the motorist and sent him on his way.
#2997	STATION - Station 7 - Ofc. Torres responded to the district station to drop off his finished reports. Upon doing so, Ofc. Torres then marked inservice.
#3144	COP - [redacted] Ofc. Torres marked out at the listed location and was advised that he could watch for after-hour sales of alcoholic beverages as well as the illegal sale of alcohol to juveniles. Ofc. Torres did not observe any violations. He then marked inservice.
#3215	STATION - Station 7 - Ofc. Torres responded to the district station to make copies of his reports and refuel his cruiser.

Areas in need of more training. List and/or Describe:

Ofc. Torres needs to remember his location on traffic stops and think of better / faster routes of travel to take when responding to calls for service. (S.E.G. #7 Rating 2) When sponding to one event, after Ofc. Torres made his route of travel, I asked why he did not use a nearby cut-through street that would have made for a faster response time. Ofc. Torres advised that he simply did not think of the street in question as an option. Ofc. Torres has marked the main roads in his map book with a yellow marker, however, to assist him, we will conduct map drills when time permits.

Specialized training. List any training provided today that was <u>not</u> included in the daily summary (i.e., mock traffic stops, map reading drills, building searches, etc.)

Ofc. Torres had an excess of down-time during this shift. He kept active on patrol looking for violations and made good use of his time to write reports after clearing the events. As Ofc. Torres was driving, I kept his mind active by asking him how he would respond to certain types of events and giving various fact patterns and asking if a crime and what type of crime occurred. I also asked him his location at various points when he was driving to ensure he was watching street signs, vehicles, etc.

He completed and issued a summons to the driver at fault for failing to pay full time and attention. As Ofc. Torres was completing his FR-300, he had forgotten to obtain the telephone numbers of both drivers. He was advised to contact the area patrol unit to assist him. Ofc. Torres had one patrol unit respond to a residence and make contact in order to obtain a phone number. In the case of the other driver, Ofc. Torres was shown how to request a Teletype message and have it sent to Prince William County Police Dept. and assist with obtaining a phone number of the other subject involved. Ofc. Torres was able to see how forgetting the phone numbers of persons involved can create much added work to other officers. Once Ofc. Torres had the information, he completed the FR-300 without any errors.
#2519	RAPE REPORT - [redacted] - Ofc. Torres was dispatched to a rape report. He consulted his map book and made a route of travel. Upon nearing the scene, I advised Ofc. Torres of a faster way to respond to the scene, as he was unfamiliar with the patrol area. Ofc. Torres located the apartment complex without any difficulty once on scene. Upon arrival, Ofc. Torres met with the parents of the alleged rape victim. He obtained background information on the event, their personal feelings on the event, as well as their identification. Ofc. Torres attempted to do as much background interviewing as possible before speaking the the alleged victim, a juvenile female. Ofc. Torres made a good choice in asking to speak to the juvenile in private. Ofc. Torres identified the "victim" and obtained background information on her. He asked for an account of what had occurred to her. Ofc. Torres asked directed and specific questions about the sex acts. His questions were articulated well to provide the foundation of a criminal violation...

#2519 Continued	...and that no consent was involved. Ofc. Torres was assisted by the area unit as well, as information had unfolded that assisted in providing the location of the event. Once Ofc. Torres had all of the information to document the event; including suspect information, he met with the squad supervisor to advise him of his findings. A request was made for CIB call-out. Ofc. Torres was advised his "victim" was evidence in the rape report and that he would need to stay with her. Ofc. Torres transported the "victim" to Fairfax Hospital and had her write out a statement. At such time, Ofc. Torres met with a CIB Sex Crimes detective and transported the "victim" to the Women & Children ward of the hospital and went to the SANE exam room. Ofc. Torres briefed the detective on the event and then was relieved from the scene. Ofc. Torres wrote a good, detailed report to document his investigation. He marked the PD-42 as TOT-CIB for follow-up. Ofc. Torres learned the following day, that the report was false, as the juvenile did not want to get into trouble for skipping school. He was reminded to always treat the rape case as a true report until such time it is proved otherwise.
#3100	PAPER - Station 7 - Ofc. Torres responded to the district station to complete his reports.

DOCUMENTATION AND EVALUATION OF DAILY PERFORMANCE **DOR #:** 32

Event Number & Corresponding Rating Category if a **1** or **2** was given.	Describe acceptable and unacceptable actions for each event. For the unacceptable actions, list what you instructed, demonstrated or explained to correct the unacceptable actions. *(Remember: report facts not opinions.)*
#1245	WELLNESS - Station 7 - Ofc. Torres participated in the wellness activity program at Station 7 at the start of his shift.
#1474	CIVIL DISPUTE - [redacted] - Ofc. Torres self-dispatched to the listed event. He consulted his map book and responded without delay. Upon arrival, he met the complainaint and obtained their information as well as background information on the event. Ofc. Torres found no criminal violations. Ofc. Torres responded to the address of the other subject involved in hopes to make peace in the community. Ofc. Torres obtained the information of this subject and offered suggestions on how to keep the peace in the neighborhood. Ofc. Torres' suggestions fell on deaf ears, and at such time, he departed the scene. Ofc. Torres responded back to the complainants residence to advise of his findings. Ofc. Torres documented his efforts on a PD-42, titled correctly, as a "Civil Dispute."
#1743	WARRANT SERVICE - [redacted] - Ofc. Torres self-dispatched on a warrant service. He coordinated with other units to cover the residence. Ofc. Torres briefed the units on the warrant and the description of the suspect. Ofc. Torres asked the dispatcher to 10-3 the channel. He made a tactful approach to the residence. Ofc. Torres listened at the door, then knocked. There was no answer. Ofc. Torres found the front door to be unsecure. Upon another officer announcing "Police," a subject appeared. Ofc. Torres interviewed the subject and searched the residence. He did not locate his subject, but obtained information in efforts to locate the wanted subject. Ofc. Torres cleared the channel. He then marked inservice from the event. Ofc. Torres made good sound judgements on this warrant service; coordinating with other officers at a safe location, having an unmarked car go into the neighborhood first, etc. Good job.
#1921	ANIMAL CASE - Fairfax County Parkway / Sydenstricker Rd. - Ofc. Torres self-dispatched on an animal destruction case. Prior to his arrival, an Animal Control Unit had arrived and destroyed the deer. Upon Ofc. Torres' arrival, he met with the animal control officer and gained some tips on animal cases and animal destruction cases. Ofc. Torres learned that his event was a duplicate of the animal control officer's event and he was shown how to advise the dispatcher the event should be closed as a "96DUP."

#2049	BURGLARY - Fairview E.S. - [redacted] - Ofc. Torres responded to assist on a possible burglary report. Upon arrival, it was found that no burglary occurred, only a broken window. The event was handled by the area unit. Ofc. Torres then marked inservice.
#2388	DWI - Newington Forrest Ave. / Pohick Rd. - Ofc. Torres responded to assist on a DWI lookout. The suspected DWI was found to be not intoxicated, only a new driver. The event was handled by the area unit prior to Ofc. Torres' arrival.
#2461	FOUND PROPERTY REPORT - [redacted] - Ofc. Torres observed a backpack laying on Rolling Rd. near the station at the start of his shift. He documented his findings on a PD-42. He found the owner is most likely a local high school student. Ofc. Torres made a copy of his report for the SRO in hopes to identify the owner. Ofc. Torres made thorough documentation of the contents of the backpack and included all of the property on a property card. He correctly packaged the items and placed them in the property room at Station 7.
#2553	STATION - Station 7 - Ofc. Torres responded to the district station to turn in his completed reports.

Areas in need of more training. List and/or Describe:

Ofc. Torres was reminded on several occasions on the proper way to log-off the MCT at the end of his shift. On occasion, such as today, he did not properly sign off / log-off the MCT. This FTI has been in receipt of late-night phonecalls from or having to make phone calls to the station to ensure the MCT was signed off and the dispatcher was aware that Ofc. Torres and his FTI were off duty. (S.E.G. #17 Rating 2). I advised Ofc. Torres that upon return to his crusier at the end of the shift, he must mark available - inservice prior to signing off the MCT.

Specialized training. List any training provided today that was not included in the daily summary (i.e., mock traffic stops, map reading drills, building searches, etc.)

Ofc. Torres made good use of his down time today to complete his reports and actively atrol looking for criminal violations.

#1281	INVESTIGATION – Station 7 – Ofc. Torres marked out at the district station to check out warrants and attempt phone calls to the suspects.
#1330	WARRANT SERVICE – [redacted] – Ofc. Torres self-dispatched to a warrant service. He coordinated with the area units to be his back-up officer / help cover the location. Ofc. Torres parked in a safe location and asked the dispatcher to 10-3 the channel. Ofc .Torres made a tactful approach to the house. He knocked on the door and made contact with the resident. He gained consent to search the house, but did not locate the subject. Ofc. Torres advised the dispatcher to clear the channel. He then marked inservice.
#1445	WARRANT SERVICE – [redacted]. - Ofc. Torres self-dispatched to a warrant service. He coordinated with the area units to be his back-up officer / help cover the location. Ofc. Torres parked in a safe location and asked the dispatcher to 10-3 the channel. Ofc .Torres made a tactful approach to the house. He knocked on the door and received no answer at the door. He checked with neighbors in attempts to gain information on the subject. Ofc. Torres then marked inservice.
#1516	WARRANT SERVICE – [redacted] - Ofc. Torres self-dispatched to a warrant service. He coordinated with the area units to be his back-up officer / help cover the location. Ofc. Torres parked in a safe location and asked the dispatcher to 10-3 the channel. Ofc .Torres made a tactful approach to the house. He knocked on the door and made contact with the resident. He gained consent to search the house, but did not locate the subject. Ofc. Torres advised the dispatcher to clear the channel. He then marked inservice.

#1634	WARRANT SERVICE – [redacted] – Ofc. Torres self-dispatched to a warrant service. Upon arrival to the area, he coordinated with other units to assist. Ofc. Torres briefed the officers on the suspects description and then asked the dispatcher to 10-3 the channel. Upon approach to the residence, Ofc. Torres observed a subject matching the suspects description, made identification, and advised the subject he had a warrant for her arrest. Ofc. Torres placed the subject under arrest and was able to configure two sets of handcuffs to restrain the subject. Upon reaching the cruiser, Ofc. Torres discovered he needed to change the handcuff position for rear to front, as his subject was extremely portly in stature and could not safely be seated in the back of the cruiser otherwise. Ofc. Torres made the change and double locked the handcuffs. Ofc. Torres cleared the channel and marked enroute to the ADC. He made a memo of the starting and ending mileage to the ADC. Upon arrival to the ADC, Ofc. Torres secured his service weapon, O.C. extra ammo and baton. Ofc. Torres escorted the subject into the ADC. He made a criminal records check prior to going into the magistrate area. Ofc. Torres advised the magistrate of the warrant arrest and executed the warrant. Ofc. Torres then escorted the subject out of the ADC, as the charge did not require CCRE. Ofc. Torres then went to the warrant desk to advise of the arrest and clear the warrant. He then called Teletype to ensure the warrant was cleared. To note, while at the ADC on this arrest, Ofc. Torres was shown the Alcohol Testing Unit (ASAP room) and advised of the paperwork involved in a DWI arrest as well as was advised on the LiveScan paperwork and booking paperwork required for a CCRE arrest and that he would need to do a palm print on felony arrests. Ofc. Torres attempted to locate an original case to supplement to, however, this was a citizen's obtained warrant. Ofc. Torres wrote a PD-42 to document the arrest.
#1854	WARRANT SERVICE – [redacted] – Ofc. Torres was in receipt of a message from the Auxiliary Police Officer's working our shift, that subjects were observed inside of a house he attempted an earlier warrant service at. Ofc. Torres coordinated with area units and arrived at the location, parking in a safe location. Again, Ofc. Torres briefed the units on the description of the suspect and requested the channel be 10-3. Ofc. Torres made a tactful approach to the house and knocked at the door. He was met by the wife of the suspect. Ofc. Torres advised why he was there and asked to check the house. Initially, the subject was not located, but then was found in the garage of the home. Ofc. Torres took the subject into custody without incident and advised him of the charge. He then advised the dispatcher to clear the channel. Ofc. Torres ensured the handcuffs were double locked and led the subject...

#1854 Continued	...to the cruiser for transport. Ofc. Torres marked enroute to the ADC and arrived without incident. Upon arrival to the ADC, Ofc. Torres secured his weapons, ammo, etc. He escorted the subject into the ADC and called for a records check. Ofc. Torres then escorted the subject into the magistrates area. Ofc. Torres advised the magistrate of the arrest, but forgot to execute the warrant. He was instructed to advise the subject as to the contents of the warrant, court date, etc. as well as sign the warrant to execute it. After speaking to the magistrate, Ofc. Torres was shown where to take the subject for LiveScan CCRE processing. Although we had just discussed the paperwork required at the jail for a CCRE / LiveScan arrest while on the prior visit to the ADC, Ofc. Torres appeared unsure of what he needed to do. I advised Ofc. Torres on how to complete the LiveScan form, booking document, and related paperwork required. Ofc. Torres was reminded not to get frustrated when looking for information needed to complete the forms, but to look at the information he already has; (notes in the 007 notebook, warrant, warrant control form, etc.) in order to complete the paperwork. Ofc. Torres completed the required forms for the procedure and watched the LiveScan process as the subject was fingerprinted. Upon departing the ADC, Ofc. Torres responded to the Warrant Desk to clear the warrant and call Teletype to ensure the warrant was removed. Ofc. Torres documented the arrest on a PD-42.

#2280

MISC – West Springfield High School – Ofc. Torres was directed to respond to WSHS for a DWI practical. Ofc. Torres was able to observe driving behavior to articulate a suspected intoxicated driver. Ofc. Torres made a traffic stop and advised the driver (an Auxiliary Police Officer roll-player) why he was stopped. Ofc. Torres was short on articulation other than telling the driver why he was stopped. Ofc. Torres was given hints along the way to help remind him to have a back-up officer requested, take good notes, etc. Ofc. Torres demonstrated three field sobriety tests (one-legged stand, 9 step walk & turn, and the horizontal gazinous-staganous) and had the roll-player perform them. Ofc. Torres was shown how to operate the Preliminary Breath Test alcosensor. Ofc. Torres determined that he would make an arrest (prior to administering the PBT) and placed the roll-player under arrest. The practical was ended and I asked Ofc. Torres to advise what paperwork he would do at the jail. He correctly identified the forms needed and procedure he would do. I reminded Ofc. Torres that he needs to identify his driver and that he could run a 10-17 check while awaiting his back-up officer to arrive. After the scenario, I performed a mock DWI traffic stop / sobriety test, etc. in efforts to show Ofc. Torres some of the points he may have missed or a different way to go about conducting the stop. Afterwards, the Auxiliary Officers who had assisted, gave pointers on what they observe at DWI checkpoints to help Ofc. Torres in performing his DWI traffic stops / field sobriety tests. Ofc. Torres was also given different scenarios of what he would do on DWI stops, such as if upon arrival to the ADC, the arrested subject had a low BAC, if he could articulate the DWI to obtain the warrant or if the BAC was to such a point that no articulation could be made in order to obtain a warrant. With this scenario, Ofc. Torres advised that the subject would have to be released. I advised Ofc. Torres to think of the reason(s) he stopped the driver, and what violation(s) of law were present at the time of the arrest. I was attempting to solicit the idea that he could still make a physical arrest for Drunk in Public, Reckless Driving, etc. if the BAC was at a low level or a warrant could not be obtained for the DWI due to a lag time in testing or the subjects BAC was simply going down.

Areas in need of more training. List and/or Describe:

Ofc. Torres needs to work on his introduction when making traffic stops rather than being curt and telling the driver why he / she was stopped. Again, such as on the DWI practical, I reminded Ofc. Torres to identify himself and then ask for the driver's license and registration, then advise why he stopped their vehicle in order to avoid confrontation with the driver.

Specialized training. List any training provided today that was not included in the daily summary (i.e., mock traffic stops, map reading drills, building searches, etc.)

Ofc. Torres received an entire shift consisting of warrant and arrest procedures. He did not receive any dispatches in his or other patrol areas today. The entire shift, he was kept active attempting to serve warrants. Ofc. Torres was shown the Alcohol Testing Unit (ASAP Room) at the ADC. He was instructed on the procedures for a DWI arrest once he arrived at the jail. He was instructed on the ASAP procedure and the observation period that occurs. He was shown the location of the Criminal Complaint forms as well as the DMV Administrative Suspension form and "Refusal form." He was instructed on how to complete the forms and that Teletype needs to have a faxed copy of the suspension form.

TORREJ, ADAM 3681

FAIRFAX COUNTY POLICE DEPARTMENT
PRE-EVALUATION FORM

Employees who are to be rated should be provided with this form two weeks prior to the end of their rating period. The form should then be collected before the supervisor completes the Patrol Officers Evaluation Worksheet and the employee evaluation review/conference.

1. Describe individual accomplishments, noteworthy achievements or projects that you feel should be considered for this rating period. Discuss those situations you feel required special consideration or that involved extenuating circumstances.

I was able to arrest one person during my FTI period so far. It was from a detention order. The person I arrested told me I am one of the nicest police officers she had ever met
my report writing has also improved. I am able to provide greater detail now than when I started. I am able to recollect thoughts and information from my notetaking in my OOT.

2. What personal and/or professional growth has there been during this rating period for you?

My personal communication skills have grown. This job requires going out and talking to people. I am able to think faster to ask questions that are necessary for a report. Every once in a while, when a complainant or a random person coming up to me just to talk about something other than suspicion of crime, I can create small talk back and am sometimes able to relate to something going on in their lives

3. What additional experiences or training would you like to obtain to enhance your professional development or job proficiency?

I would like to make more arrests. So far I have one arrest. I cannot arrest someone every day, but I would like to serve warrants. I want the experience of bringing someone to the ADC or UDC. If there is time, I would like to do another DWI patrol, or encounter a Drunk in Public

4. Do you have any ideas or suggestions that would enable you or your squad to function more effectively or efficiently?

Remarks

At 1638 hours, PFC Lingenfelter and I responded for a warrant service at the listed address. We were backed by 2 Auxillary officers and PFC Klute. Upon walking to the house, the suspect had been spotted outside the door to her house. I immediately asked for her name and date of birth. Both answers were the same as on the warrant. She did not have identification on her but family members had been calling her name asking what was occuring. I asked her to put her hands behind her back. She did as I asked. I placed two sets of handcuffs on her and placed her in the back of my cruiser. I then transported her to the ADC. I gave my testimony to the magistrate (Benderoth). Ms Parker then gave her testimony. Magistrate Benderoth had then released Ms Parker on a summons. Once Ms Parker was free to leave, I went to the warrant desk to have the warrant cleared. The warrant control desk employee #9030. I then called teletype to confirm. The teletype person I spoke with #9100.

Remarks

PFC Lingenfelter and I responded to the listed address at 1839 hours for a warrant service. The suspect had arrived at the residence after our arrival. His name and social security number were the same as of the warrant. I asked to put his hands behind his back, but he told me to wait. I then told him to put his hands behind his back but he had been insistent with a cellphone. PFC Lingenfelter grabbed his left arm and I grabbed his right. He had initially pulled his arms into his body, but we forced his arms behind so I could handcuff him. I then searched him and found no weapons or paraphernalia. I then transported him to the ADC. I gave my testimony to Magistrate McCormick. [redacted] then gave his testimony. The magistrate had given a bond of $1,000. [redacted] was then livescanned and PFC Lingenfelter and I were cleared to leave. We then went to the warrant desk to have the warrant cleared from the system. The warrant control desk employee #9030. I then called teletype to confirm. The teletype employee # 7831

Remarks

PFC Lingenfelser and I responded to the listed address. We met the complainant. She stated a man [redacted] of the home owners association had driven around the neighborhood taking pictures, more specifically a 2000 Jeep Wrangler which belongs to her brother [redacted] has been apparently trying to have the Jeep towed away. [redacted] had called Dominion Towing to have the car towed away under a different name of [redacted] According to the complainant, the towing company knew this was false since a person named [redacted] worked currently at the Dominion Towing. There is a sign of visitor parking that allows for 48 hours of parking. The complainant stated her brother had only been parked for 2 hours. Last October [redacted] had been successful in having the car towed. I explained to them I would talk to [redacted] to have his side of the story. The complainant had wanted me to talk to a witness of the event. I had gone to speak to the witness. The witness: [redacted] cell number [redacted] She stated that she had seen [redacted] driving around, then sped out of the neighborhood once the complainant had tried to confront him.

Remarks

PFC [redacted] then explained to the complainant about Northern Virginia Mediation Services. If there is a dispute, they could call the mediation services and meet. We then went to go meet [redacted] He answered his door and stated he had been expecting me. He wanted to speak to the police also. [redacted] is the parking enforcement for the home owners association. I had explained to him the complaint and asked about the 48 hour rule. He stated he had a source in the neighborhood to tell him about the illegal parking. His source is [redacted] Apparently [redacted] does not like the complainant. Every time [redacted] sees the jeep, he calls [redacted] to tell of illegal parking. [redacted] does not ask how long the jeep has been parked there, but only goes off the phone calls by [redacted] then goes out to take pictures of the jeep. [redacted] gave me pictures he had taken of the jeep. I had not asked for the pictures, but he insisted I take them. The pictures will be held in the property room station 7 for future reference of the parking violations. [redacted] stated he is going to petition for a warrant against the complainant for reckless driving. Apparently he felt the complainant had cut him off on purpose while he was driving around the neighborhood. PFC [redacted] then offered the Northern Virginia Mediation Services to [redacted] stated he may try it.

Remarks

Upon leaving station 7 en route to a call, a backpack was spotted in the middle of rolling road. I had pulled up to the backpack. PFC Lingenfelter picked up the backpack and placed it in the trunk. Upon checking the backpack, it was found to have miscellaneous school papers, blue folder, black gloves, memorex cd, and an apple black IPOD 30GB. The backpack is Jansport and appears to belong to [redacted] possibly a tenth grader at West Springfield High School. The backpack was packaged and placed on the 30 day hold shelf at station 7 property room. A copy of this report will be given to the West Springfield High School SRO with hopes the owner can be identified by school records

Remarks

At around 1300 hours today, I had spoken to the complainant. She had left a voice message which I returned. She had been crying while I had been talking to her. She stated that [redacted] told her daughter that he was going to kill her son. The complainant's son had helped in the investigation last night of the rape. According to the complainant, her daughter told her [redacted] was going to kill the complainant's son slowly by beating him to death. [redacted] is suspected to be a member of the South Side Locos. I had told the complainant she would have to call the detective immediately to notify him of this finding. She had been unable to contact the detective. After I had finished speaking with the complainant, Officer [redacted] had called me at the station. He had started to ask me about the rape. Apparently, the complainant had continued to ask for officers to come to her house to make a complaint. Officer [redacted] was being backed by officer [redacted]. From my understanding, around this time of the call, a group of hispanic males had been found around the complainant's house, or near the house with baseball bats in hand. Nothing had occured with the hispanic males.

Remarks

On 10-26-06, I petitioned for a warrant against [redacted] for felony assault on a police officer. [redacted] had not been arrested on 10-10-06 because of an apparent overdose, which she stated she took many pills. At the time of CPS taking her three children, she had become disorderly and spit in my face. As for the overdose, she had stated she took many pills so she was taken to the hospital for treatment. Even at that time, she was uncooperative. It is my understanding she was recently released from the hospital. [redacted] will be served the warrant as soon as possible

Remarks

PFC Lingenfelter and I responded to an open door complaint. PFC Norris backed us. The complainant stated a woman, [redacted] lives at the listed address. The complainant had seen the open door between 1230 hours and 1300 hours. [redacted] car had also been gone from the parking space. The witness had stated he had seen the open door at 0930 hours.

PFC Lingenfelter, PFC Norris, and I started to search the house after a 10-3 channel. We searched the house. All was secure. It didn't appear anyone had gone through the house. I left a business card with my name and the reason we entered the house on the back of the business card

Remarks

PFC Lingenfelter and I responded to a complaint of two people having sex. PFC Norris backed us. The caller had seen the two people, but when he was seen, the male parked the female off him. The complainant then left the scene. PFC Norris had searched Occoquan Park but could not find anything. PFC Lingenfelter and I searched the footbridge by the water treatment plant, then searched the area around the water treatment plant. We could not find the listed vehicle

I had attempted to call the complainant on the number he had left but no answer.

Remarks

PFC Lingenfelter and I responded to a complaint of trespassing. PFC Norris backed us. We had gone to meet the complainant first. He stated he had seen two people, an older male and a younger child. They have been around the neighborhood walking back and forth for the past couple of days. The complainant had seen them alone on a few occasions walking down the street. The complainant at that point would question the individuals. He had spoken to the child, and the child stated they were from Woodbridge. The adult male stated he was from Stafford. In this particular day, they were seen walking around with a bow trying to hunt in the woods. The two suspicious persons had apparently lived in that area in the past. The owner of the land, [redacted] has set up no trespassing signs around his property. [redacted] can be reached at [redacted] PFC Lingenfelter and I had then started to drive around the roads to try to locate the two persons. PFC Lingenfelter saw the two people. PFC Lingenfelter, [redacted] and I then caught their attention. We had tried to engage in a conversation of why the two people were hunting in a no trespassing property. [redacted] stated to us that he and his son [redacted] were given permission by [redacted] was the owner of the land at [redacted] when the two persons were located, they were standing

Remarks

behind the house of [redacted] near the powerlines. PFC Norris had gone to speak with [redacted] had given [redacted] permission to park in their driveway but not hunt on his property. When this was stated to [redacted] he had a surprised look on his face. He was insistent that [redacted] had given them permission to hunt on the land. Apparently [redacted] owns a small piece of land. [redacted] owns the rest of the land. [redacted] and his son had been found on [redacted] land. [redacted] was carrying a bow but he said he was only hunting on [redacted] land. There is no "no trespassing" signs on his land nor "no hunting" signs on his land. We had showed [redacted] land where there were signs posted on the trees. [redacted] understood he could not hunt where signs were posted unless he received written permission [redacted] was visually upset at thinking he had permission to hunt on [redacted] land. There are no visible signs of trespassing or hunting signs and [redacted] was allowed on [redacted] land, although controversial of whether he was allowed to hunt or not.

PFC Lingenfelter, Norris, and I conferred to ourselves of what should be done we found no trespassing had occured. We changed the event to a suspicious person. I then talked to [redacted] about if there are signs posted of not to hunt, he is not to hunt without written permission of the owner of the land. If the owner did not give permission to hunt on his land when there is no sign posted, he is not to hunt. He understood. He believed he had permission from [redacted] although [redacted] declined on the hunting but gave permission to park on his land.

Remarks

PFC Lingenfelter and I responded to the listed address. We met the victim. She stated someone has been using her credit cards. The three credit cards that are in question are still in her possession. She has not given anyone else permission to use those cards. The fraud was brought to her attention when she received a call from American Express yesterday stating her card may be part of a Fraud. The American Express Fraud Unit had told her that her card had been used in Falls Church. The places the card was used was at Giant, CVS, and Safeway. The last time the victim had used the card was last Thursday when she went to Costco. Apparently, from what the victim told me, each place the American Express card had been used had several hundred dollars placed on the card

Today at 1630 hours, she received a call from BB+T stating fraudulent use. The victim has two BB+T cards. She stated to me that there are five or six charges of a couple hundred dollars each. The charges were placed at Safeway, CVS, and Giant. She learned that this particular charge to Safeway came from Annandale. BB+T told the victim she would have to go to the bank to get the addresses The cards were charged. The victim told me she will go tomorrow to the bank to obtain the addresses. She will call me with

Remarks

I was dispatched to a suspicious vehicle complaint. The complainant had left the scene before my arrival. The complaint was that she saw a bushy haired white male driving a Maroon colored chrysler. He had apparently been driving the vehicle around that particular neighborhood for 30 minutes. The complainant had called because there have been several larceny's occuring around the construction site for several days. The complainant became suspicious of the vehicle and called the police. I drove around the area and could not locate the vehicle

Remarks

I responded to the listed address. There had been a complaint of yelling and things being thrown around a house. I had first spoken to [redacted] She stated she and her husband were having an argument. I asked her if there were things being thrown or if there was any physical fighting. She said no. She did not want to tell me what the fight was all about. I then spoke to [redacted] He stated he was having an argument about family issues. His parents had been going through a divorce. They were also on their way to church, but they were late. That is the reason for the fight. [redacted] also denied things being thrown and physical fighting.

There didn't appear to be any physical harm done to any one of them. They have a child together, named [redacted]. I asked the age of [redacted] stated [redacted] was 3 years old. I asked when he was born, [redacted] stated "2000 or 2001"

Both [redacted] got into the same vehicle, a Land Rover Discovery V8, VA tag [redacted] It is a temporary tag. I told both of them that I just wanted to be sure everyone was alright and make sure there was no fighting between the two. They assured me there was no fighting.

Remarks

I responded to the listed address. I met the complainant. She stated her neighbor may have gone on vacation, but unsure. She stated the door had been open since Thursday. Her neighbor is an elderly woman, so the complainant was worried. Officers Meier and Norris backed us on the open door. Officer Norris went to be back of the house before Officer Meier, PFC Lingenfelter, and I searched the house. We had 10-3 the channel, then we knocked and announced, then entered the house. We searched the house. All was secure. We cleared the channel. I left a business card stating our presence, stating on the back that police entered the house and searched. We then cleared the scene after closing the front door and locking it. There were no signs of criminal activity. Case closed as a service.

Remarks

At 1533 hours, I responded to the listed address. I met the complainant/victim. He stated he has received a letter from ASSET ACCEPTANCE LLC, P.O BOX 2036, WARREN MI, stating the victim is overdue on a loan of $1740.30. The victim never applied for a loan from that company. The victim had called the company at (866)-266-7500 to try to get this mixup sorted out. He called last night. The person he spoke to denied the mistake and still asked for the loan amount. The victim had spoken to [redacted] is a debt collector. The account number given to the victim is [redacted]. The victim advised this is in reference to Cattle Credit. When the victim called the company last night, the victim stated to me the company read him a wrong social security number; but read his wife's [redacted] correctly. Apparently both names are on the loan. The victim stated he had received this notice last month, but shredded it, thinking it was junk mail. His wife opened the notice that arrived this month, then decided to take action. The victim has taken steps to remedy the situation, but was unsuccessful. He believes he is a victim of identity theft. Case held active TOT to CIB financial crimes

Remarks

I responded to the listed address. I met the complainant. She stated a man had drove and parked in front of her house and took pictures. She had actually not seen the event, but was told by her neighbor what had occured. She could give no reason why anyone would pull in front of her house to take pictures.

I had then gone to speak to the neighbor, [redacted]. He stated he was painting his porch when he saw a car drive slowly down the neighborhood then turn around at the cul de sac. The driver of the vehicle had first pulled in front of the witnesses house. The driver then took a picture of the complainants house. The driver then pulled in front of the complainants house to take another picture. The witness then took his cell phone and tried to take a picture of the driver but was unsuccessful due to the driver pulling away and driving off.

I ran the tag the witness gave me from the vehicle. It had come back to Central Auto Leasing. It is a car rental dealership. I had talked to PCA but PCA was unable to find an phone number for the company. Case closed as service

Remarks

I responded to the listed address. I met the complainant. He stated someone had come into the store for the gas station, took a pack of Black & Mild cigarettes, and then walked out. He showed me the video of the larceny. The suspect had entered the store, took the cigarettes, and then walked out. The cigarettes are in reachable distance of the customers. The cigarettes are placed on a shelf on top of the counter. The complainant could not get an accurate description of the suspect. I could not determine the height of the suspect due to the camera pointed downwards. The suspect had been wearing a hood over his head, so I could not determine his facial features. The only description I could go on is from the complainant.

The complainant then stated the suspect was last seen headed to the Mcdonalds next door. The larceny had taken place two hours before my arrival. Case held inactive pending further suspect information. At this time, Mr [redacted] does not wish to press charges.

Remarks

I responded to the listed address. Upon arrival I met the complainant. He stated his ex-wife has gone missing. Apparently she has mental issues where she needs medication. She has been missing for one month. The complainant is paying for a condo for her to live in, but she no longer shows. She also usually calls her daughter, [redacted] every day at 7pm but she has not called her daughter in a month. The complainant has custody of the daughter. I had asked there was someone she may be living with or may have any idea who may know where she is. The complainant stated there is a man, [redacted] The complainant had dropped her off there on September 13, 2006. I took a missing adult report and the complainant signed the form

PFC Lingenfelter and I then drove to [redacted]. Upon knocking on the door, [redacted] answered. I had told her the situation of why we were there. She was asked if she is off her medication, and she answered yes. She was then asked if she would like to speak with someone at Woodburn, but she declined. She stated the reason she has not been in her condo is that there was a dispute between her and her ex-husband, so she left and decided not to return

Remarks

She has also not called her daughter because she thought her ex-husband didnt want her to call. She is trying to gain custody of her daughter by getting a job. She believes this will help her when she goes to court

She has also decided not to go back to Alexandria mental health because she doesnt like the "way they did things." She decided to go with [redacted] in Woodbridge

The house was clean, nothing that could be harmful could be seen. I had then called the person she was living with. [redacted] is an ex husband of hers. He states she is taking Depicote and Lithium, she doesnt like to take pills because of weight gain.

This case is being closed as a service because the missing adult was found and she is in no danger to herself or others. Info copies to CIB

Remarks

PFC Lingenfelter and I self dispatched to a CPS case. We met CPS at 1952 hours on [redacted]. They had waited for police to arrive before knocking on the door they wished to take children away from a home. Upon arrival, I had spoke with both social workers. The female social worker [redacted] had stated there are three children; [redacted] old were being neglected. Both social workers had stated the suspect has been known to leave for days at a time, leaving the children home alone. They stated there would be no problem. It was expected that the mother would not fight, and the children would go with them willingly. It was said that the mother would not be surprised to see the social workers. Both social workers were adamant that there would be no problems, such as fighting. A concern had arrived that [redacted] may fight because he has an attitude problem. All three children are on medication for mental disorders, but it is unclear what mental disorders the children have. [redacted] can be reached at [redacted] she is a social worker for the department of family services 8350 Richmond Highway, Suite 407 Alexandria, VA 22309.

After all information was given, the social workers would lead us to the house

Remarks

The social workers had drove to [redacted] I had followed behind. It was agreed upon that the social workers would knock on the door and enter into the house first. The Male social worker who had accompanied [redacted] had knocked on the door. PFC Lingenfelter and I had taken position to the side of the door. The door had to be knocked on several series before an answer. [redacted] had answered the door. The male social worker had engaged a conversation with [redacted] He asked if he could come inside. She opened the screen door and yelled for her mother. [redacted] had yelled something along the line of "Mom, the social workers are here." Once the male social worker entered the house, I immediately entered. Upon entering the house, I had noticed there were papers, magazines, and cd's on the floor. [redacted] had been sitting on the floor, possibly doing homework, listening to music on her headphones. She gave no indication that she noticed me enter the house. [redacted] had been sitting on the couch immediately to the right of the door. The male social worker had to [redacted] that he is going to take the children and her with him to bring to a safer location. I had walked across the room to stand by the television. From that spot, I had a clear view of the stairs, going up and down. [redacted] had decided to stand a couple steps to the top floor to speak to the social worker. Once she understood the reason the social workers were present, she immediately screamed several times "I'm not going" She stated that she would not go with the social workers, and that she wanted to go to her friends house to live. The mother, The suspect, had begun to walk upstairs to the living room where we were located. The male social worker had stated to the suspect the reason of his appearance. At that moment, The suspect had given no indication of disagreeing. She understood and was willing to let the children go with social services. [redacted] had still been defiant saying "I'm not going" She had then begun to say several times "Fuck you... suck my dick!" PFC Lingenfelter had then intervened and stated to [redacted] that she had no choice. She would have to leave with social services

Remarks

I had noticed [redacted] had started to cry. She was still sitting on the floor listening to her headphones. The suspect had then become outraged. She yelled "I have a knife upstairs." The suspect then ran upstairs to the bedroom area. PFC Lingenfelter and the male social worker had continued speaking with [redacted] who had begun to cry. The suspect had then come running downstairs to the living room. In her left hand, it appeared to be a knife. She was holding the knife across her neck. She had started to threaten that she was going to kill herself. She had come into the living room area where PFC Lingenfelter was standing. He was standing at the foot of the stairs. She had continued to hold the knife to her neck. When I saw her coming down the stairs with a knife in her hand, I had reached for my sidearm, but she had come near PFC Lingenfelter very quickly. I could not retrieve my sidearm. PFC Lingenfelter had immediately grabbed the suspect and wrestled the suspect to her knees. The suspect had continued to wield the knife. I had started my way into the kitchen where PFC Lingenfelter and the suspect were located. The male social worker had retreated back to the front door to stand next to [redacted]. I had become involved with children who were yelling and crying. [redacted] had started to charge me with fists clinched. He was crying and yelling for his mother. I had stopped him. He didn't appear to have any intention of hitting me. I was still concerned with [redacted] fighting, but she had sitten down on the stairs and started yelling for her mother to put down the knife. I had picked [redacted] up and walked him back to the couch and told CPS to watch him so he could not come back at me. PFC Lingenfelter had the suspects hands behind her back. No knife was in sight, and were not in her hands. I had gone to help PFC Lingenfelter. As I was coming into the kitchen, PFC Lingenfelter yelled "Torres, put handcuffs on her." I entered the kitchen and smelled OC. I started to put handcuffs on the subject, and the smell of OC had become stronger. After I finished placing handcuffs on the subject, the subject had started to bang her head into the dining table. PFC Lingenfelter and I had told her to stop but she

[redacted] had run downstairs, and I heard a door slam. It had become apparent that [redacted] may have been trying to leave out the basement door. PFC Lingenfelter had told me to find [redacted] and not let him get away. I immediately started to run across the room. I ran outside the front door. I had run around the townhouses with my flashlight in hand. I started looking to the rear of the houses and into the woods. I had not spotted [redacted] I then made my way to the backyard of the listed address. I did not spot [redacted] in the backyard. The sliding glass door was unlocked, so I opened it. The moment I opened the backdoor, I saw [redacted] sitting on a bed crying. I immediately made contact with him. I had asked [redacted] once to come upstairs with me. He had refused. I then grabbed his arm. [redacted] immediately rose to his feet and started walking to a door. He opened the door. When he opened the door, there were stairs leading to the living room. Once we got back up the stairs, I gave [redacted] to social services. My attention then returned to the suspect. [redacted] was still sitting on the stairs crying, yelling "fuck you." [redacted] was still sitting on the floor crying. When I returned to the suspect, other officers had begun to enter the house. [redacted] had still remained defiant, and handcuffs were placed on her. She was then lead out the door and into a police cruiser. [redacted] had also been led out into a separate cruiser. I had walked over to [redacted] and tried to get her to leave the house quietly. She had remained seated and another officer asked me if she was to go also. I said yes. He grabbed [redacted] and led her out the door.

I had then walked back into the kitchen. PFC Lingenfelter was standing with the suspect. I had looked over on the floor and noticed that the suspect had not been wielding a knife, but scissors at the time she was holding a weapon to

her throaght. The suspect had her eyes closed and was asking for her glasses. PFC Lingenfelter had put her glasses on her face. We were waiting a few minutes for the paramedics, so the suspect could be decontaminated from the OC. We were standing in the living room. PFC Lingenfelter asked me to hold the suspect. PFC Lingenfelter had said he was going outside to speak with other officers. I had grabbed the suspects left arm and stood there. The suspect had then started saying that she wanted to turn off the lights. I told her she couldn't do that. She said she didn't want to waste electricity. I again told her no. She then tried to walk toward the stairs where a lightswitch was located. I had held my position, holding her arm so she would not walk. She had tried to lean her weight so I would move. I wasn't moving. She had then turned her head to me, then spit in my face. She had spit above my left eye. I then pushed her head downwards where she was at a slight bend at the waist. She had then taken her left shoulder and tried to force it into my body. I then forced her to the ground. She remained face down for a few moments when PFC Lingenfelter walked back into the house. I had told PFC Lingenfelter what had occurred and he immediately walked over to assist me controlling her on the ground.

Officer Abram had walked inside the house. Engine 35 had arrived to decontaminate the suspect, but she refused treatment. The paramedic had then walked outside the house and back to the truck. Officer Abram had left to tell the supervisor that I had been spit in the face. Officer Abram immediately returned to relieve me so I can go get cleaned up by the paramedics. I had entered the ambulance and the paramedic had applied cleaning solutions to my face. I am unsure if any of the spit had gotten into my eye. After the cleaning solutions had been applied, the paramedic had advised me of the possibility of possible diseases I may have incurred if spit was in my eye. I had considered this the moment the suspect had spit in my face.

I then walked back into the house to relieve officer Abram. The suspect was still

laying on the ground with PFC Lingenfelter and Officer Abram holding her down. Officer Abram had then left the house. I continued to ask the suspect if she had any diseases. She said yes. I asked her what diseases she had. She just replied "diseases." Officer Abram then returned with a Ripp Hobble. I took the Ripp Hobble and tied it around her legs. The suspects breathing had then become rapid. Officer Abram then checked her vitals. He called for the ambulance to come back and check on her. Different paramedics had come into the house to check her vitals. PFC Lingenfelter was holding the suspect down by the shoulders. I was holding her down by her feet. Apparently the suspect had lost consciousness. The paramedics had looked her over and determined she was faking her breathing and unconsciousness. The paramedics opened her eyes. She kept her eyes open. The paramedics continued to ask the suspect questions. She did not answer. She remained quiet. The paramedics then brought in a bed. They placed the suspect into the bed. The handcuffs remained on her wrists based on that she was violent. The Ripp Hobble also remained on the suspects legs. The paramedics then walked the suspect out to the ambulance and loaded her into the ambulance.

I was to go to Fairfax Hospital. PFC Lingenfelter rode in the ambulance, while I followed the ambulance. Upon arrival at the hospital, the handcuffs remained on the suspect, along with the Ripp Hobble. The doctor, [redacted] had tried to speak with the suspect, but she refused to speak. She remained quiet. We had advised the doctor she was violent, so she had an opinion to have soft restraints placed on her. Two security officers had arrived. [redacted] and [redacted] applied the soft restraints to the suspect. I had removed the handcuffs. The Ripp Hobble had been removed. The suspect had been trying to loosen it by biting into it. The suspect was then held down to the bed by soft restraints.

PFC Lingenfelter had then gone to speak with the hospital psychiatrist

Remarks

ON 10-10-06 AT 1958 HRS. OFC. A. TORRES AND I RESPONDED TO 8677 BENT ARROW CT. TO ASSIST FAIRFAX COUNTY CHILD PROTECTIVE SERVICES OFFICIALS, [redacted] AND HER PARTNER IN THE REMOVAL OF THREE JUVENILES FROM THE RESIDENCE.

UPON OUR ARRIVAL, WE MET WITH CPS AT THE INTERSECTION OF [redacted] WE ASKED IF THERE WAS A VIOLENT HISTORY OR ANY SUSPICION THAT VIOLENCE MAY OCCUR IN THE HOME AT THE TIME WE ARRIVE. WE WERE ADVISED THAT ONE JUVENILE, 10 YEAR OLD [redacted] DIANGELO HAD A VIOLENT TEMPER, HOWEVER, IT WAS EXPECTED BY CPS THAT [redacted] (THE MOTHER) WOULD BE EXPECTING THEM AS SEVERAL FOLLOW-UP VISITS HAD OCCURRED IN RECENT DAYS. BASED ON THIS INFORMATION THAT EVERYTHING IN THE HOME WOULD BE RATHER TRANQUIL WE MADE OUR RESPONCE TO THE RESIDENCE. UPON ARRIVAL AT THE RESIDENCE, CPS KNOCKED ON THE FRONT DOOR AND RANG THE DOORBELL SEVERAL TIMES. ONE OF THE [redacted] DAUGHTERS OPENED THE FRONT DOOR. THE CPS OFFICIAL ANNOUNCED HIMSELF AND AT SUCH TIME, THE FEMALE [redacted] DAUGHTER SHOUTED "MOM, THE COPS ARE HERE." [redacted] CAME INTO THE LIVING ROOM AREA WITH HER TWO DAUGHTERS, [redacted] (15 Y.O.). THE CPS OFFICIALS ANNOUNCED THEY WOULD BE TAKING THE THREE JUVENILES [redacted] INTO PROTECTIVE CUSTODY TO A FOSTER HOME IN STAFFORD, VA. IT WAS ADVISED BY CPS THAT THEY HAD A SUMMARY PROTECTIVE ORDER DUE TO EXCESSIVE CHILD NEGLECT. THE TWO DAUGHTERS BECAME VERY VOCAL, CURSING AND YELLING THAT THEY WOULD NOT GO WITH CPS. AS VERY LITTLE RAPPORT EXHISTED BETWEEN THE FAMILY AND CPS, I SPOKE WITH THE DAUGHTERS TO EXPLAIN THE SITUATION AND WHY THEY DID NEED TO GO WITH CPS UNTIL THEIR FAMILY SITUATION IS STRAIGHTENED OUT. WHEN ASKED WHERE THE YOUNGEST SIBLING ([redacted]) WAS, [redacted] UPSTAIRS ASLEEP. [redacted] WENT UPSTAIRS TO WAKE UP [redacted] BY THIS TIME, I WAS STANDING IN THE LIVING ROOM AREA ADJACENT TO THE STAIRWELL AND THE KITCHEN DINING AREA. THE CPS WORKERS WERE STILL ATTEMPTING TO GAIN THE SUPPORT OF THE JUVENILES (IN THE LIVING ROOM AREA). AT SUCH TIME, I COULD HEAR [redacted] TELLING [redacted] "GO DOWN STAIRS AND RUN OUT THE BACK DOOR." SHE SAID THIS SEVERAL TIMES TO HIM AS SHE STARTED TO WALK DOWN STAIRS.

AS [redacted] CAME DOWN STAIRS WITH HER SON, CPS OFFICIALS ATTEMPTED TO TAKE CUSTODY OF HIM. [redacted] BECAME THE SUBJECT OF A TUG OF WAR BETWEEN HIS MOTHER AND THE CPS WORKER. I ADVISED [redacted] TO RELEASE HER SON, AND SHE REFUSED. I TOLD [redacted] AGAIN AND SHE REFUSED. I TOOK HOLD OF [redacted] ARM AND ADVISED HER TO RELINQUISH HER GRASP AND STATED TO HER "YOU DON'T WANT TO DO THIS (CAUSE A SCENE INFRONT OF HER CHILDREN) [redacted] THEN LET GO OF [redacted] AND RAN UP THE STAIR-STEPS TO THE SECOND FLOOR. AS SHE WAS DOING THIS, SHE SAID "I'M GOING TO GET A KNIFE AND KILL MYSELF. IN A MATTER OF SECONDS, [redacted] HAD RUN UPSTAIRS AND THEN BACK DOWN AGAIN, HOLDING AN OPEN PAIR OF SCISSORS TO HER THROAT. I ORDERED HER TO DROP THE SCISSORS REPEATEDLY AND SHE REFUSED. OFC. TORRES WAS STILL IN THE LIVING ROOM ATTEMPTING TO DEAL WITH THE SIBLINGS. AS [redacted] APPROACHED ME, SHE PUT HER HEAD DOWN AND THEN STARTED TO STRIKE HER HEAD AGAINST THE HANDRAIL BANNISTER REPEATEDLY. AS SHE CONTINUED DOWN THE STAIRS, STILL SLUMPING OVER, I TOOK GRAP OF HER ARM AND HELD HER DOWN ON THE FLOOR, STILL ORDERING HER TO DROP THE SCISSORS. [redacted] KEPT YELLING AND SAYING SHE WANTED TO KILL HIMSELF. AT SUCH TIMES, AN OPPORTUNITY PRESENTED ITSELF TO DEPLOY THE O.C. (PEPPER SPRAY) IN EFFORTS TO GAIN COMPLIANCE AND HAVE HER DROP THE SCISSORS. O.C. WAS ADMINISTERED AND [redacted] REN DROPPED THE SCISSORS (I COULD HEAR IT DROP), AS SHE WAS STILL BENT OVER. STILL HOLDING HER ARM, I ADVISED OFC. TORRES TO APPLY HANDCUFFS AS I DID NOT WANT TO LOSE CONTROL OF HER IN HER VIOLENT STATE. OFC. TORRES APPLIED THE HANDCUFFS AND I DOUBLE LOCKED THEM. I THEN RADIOED PSCC AND REQUESTED ASSISTANCE AS THE CPS WORKERS DID NOTHING TO ASSIST US OR GAIN CONTROL OF THE JUVENILES WHO WERE SCREAMING AND ACTING DISORDERLY IN THE HOME. I ALSO REQUESTED MOBIL CRISIS AND RESCUE TO RESPOND FOR DECONTAMINATION OF [redacted] EYES FROM THE O.C. SPRAY.

UPON ARRIVAL OF ADDITIONAL UNITS, THE JUVENILES WERE TAKEN INTO PROTECTIVE CUSTODY BY OFFICERS. [redacted] STATED THAT HER EYES WERE BURNING, ETC.

I DIRECTED OFC. TORRES TO THE KITCHEN AREA AND OBTAIN A WET PAPER TOWEL TO ASSIST IN THE DECON PROCESS. [redacted] THEN STATED THAT SHE SUFFERS FROM ASTHMA AND NEEDED HER INHALER. [redacted] ADVISED ME AS TO THE LOCATION OF HER INHALER AND AT SUCH TIME, I ADMINISTERED TWO APPLICATIONS OF THE INHALANT.

AFTER THE INTERIOR SCENE WAS SECURE AND JUVENILES REMOVED, RESCUE 435 RESPONDED TO TREAT [redacted] I TRANSFERRED CUSTODY OF [redacted] TO OFC. TORRES SO THAT THE SUPERVISOR ON SCENE, LT. G.R. JOCA (007C) COULD BE ADVISED OF THE SITUATION THAT UNFOLDED. WHEN I RETURNED TO OFC. TORRES, HE ADVISED THAT [redacted] HAD SPIT IN HIS FACE. I ADVISED OFC. TORRES TO SEE THE RESCUE PERSONNEL AND OFC. S. ABRAM RELEASED HIM SO HE COULD BE CHECKED OUT. SHORTLY THERE AFTER, HE RETURNED, AND APPLIED A RIP HOBBLE TO HER LEGS. RESCUE ENTERED THE HOME, AS WE WERE NOW IN THE LIVING-ROOM AREA, AND [redacted] REFUSED TREATMENT. RESCUE 435 THEN DEPARTED. [redacted] THEN STARTED TO BREATH IN SHORT SHALLOW BREATHS. OFC. S. ABRAM ADVISED THAT BASED ON HIS MEDICAL TRAINING, [redacted] NEEDED TO BE CHECKED OUT BY RESCUE. BY THIS TIME, [redacted] WAS STATING SHE HAD CONSUMED "A HANDFUL OF PILLS" WHEN SHE RAN UPSTAIRS IN ORDER TO OVERDOSE.

RESCUE 419 RESPONDED BACK TO THE SCENE (AS 435 WAS OUT ON ANOTHER CALL) BASED ON [redacted] STATEMENTS OF THE OVERDOSE, SHE WAS TRANSPORTED TO FAIRFAX HOSPITAL FOR TREATMENT. DUE TO HER ([redacted]) VIOLENT ACTIVITIES, I RODE IN MEDIC UNIT 419 TO FAIRFAX HOSPITAL AND OFC. TORRES FOLLOWED IN THE CRUISER.

MEDIC 419 ARRIVED AT THE HOSPITAL WITHOUT INCIDENT.

UPON ENTRY INTO THE HOSPITAL, [redacted] WAS PLACED INTO ROOM 43 FOR TREATMENT. I REQUESTED HOSPITAL SECURITY AND RESTRAINTS BE PLACED ON HER. OFC. THAT SHE WOULD SCREEN BY THE PSYCOLOGICAL STAFF PRIOR TO RELEASE FROM THE HOSPITAL.

WE WERE MET WITH SOME APPREHENSION FROM THE ON-CALL PSYC. NURSE, [redacted] CLAIMING THAT A MEDICAL TEMPORARY DETENTION ORDER NEEDED TO BE SIGNED OUT AND TO KEEP OFFICERS ON SCENE. AS THIS WAS OUT OF THE NORM FOR OUR PROCEDURES IN AN OVERDOSE CASE, I CONTACTED LT. JOCA TO CONFIRM ALL WAS CORRECT (OUR ACTIONS) AS TO THE HANDLING OF THE EVENT AND THAT WE WOULD NOT BE STAYING AT THE HOSPITAL, ETC. I WAS ADVISED THIS WAS CORRECT (THINKING THAT SOME "NEW" PROCEDURE MAY HAVE BEEN IMPLEMENTED RECENTLY.)

AFTER SPEAKING TO THE DOCTOR AND PSYC. NURSE AGAIN, SHE REQUESTED OUR NAMES TO BE POTENTIAL PETITIONERS FOR A TDO. THE DOCTOR WAS CONTENT WITH OUR ACTIONS AND AT SUCH TIME WE DEPARTED FAIRFAX HOSPITAL.

TO NOTE, A BLOOD TEST WAS REQUESTED ON [redacted] TO ENSURE SHE HAS NO HEALTH AILMENTS AS SHE SPIT IN OFC. TORRES FACE.

[redacted] IS CREATING THE COMPROMISED EXPOSURE REPORT TO BE SENT TO [redacted] FOR FOLLOW UP / TREATMENT FOR OFC. TORRES.

SEE OFC. TORRES REPORT FOR FURTHER DETAIL; THIS CASE IS BEING HELD ACTIVE TO OBTAIN AN ASSAULT WARRANT ON [redacted]

Remarks

I responded to the listed address in reference to a vehicle on fire. Upon arrival, I located the vehicle. The vehicle was in the driveway. The front end of the vehicle was engulfed in fire. I had pulled off to the side of the road. The complainant had been standing by his fence. Station 35 fire and rescue had arrived moments after I parked my cruiser. The fire department had parked their truck in the roadway. PFC Lingenfelter quickly called for additional units to help with traffic control. PFC Zambron and officer Rogers had showed to do traffic control. I started to interview the complainant. He stated he had parked his car in the driveway and went inside the house. Fifteen minutes later, an unknown individual came to their door and stated the complainants vehicle was on fire. The fire department had begun to extinguish the fire and was successful. The fire had been put out. The fire truck had begun to leave. PFC Lingenfelter told the complainant to call his insurance company, State Farm, and file a claim with the case number I had provided the complainant. PFC Lingenfelter and I had then cleared the scene once the road was clear

Remarks

I responded to the listed address. Officer Norris had assisted on this case. I met the complainant. I had separated he and his wife. His wife was left sitting on the couch with officer Norris. PFC Lingenfelter and I took the complainant to the dining room. The complainant stated he called the police because he wanted legal advice for leaving his wife [redacted]. He stated that although he loves his wife, she annoys him. I had asked how she annoys him. He stated she never encourages him, and tends to find fault for anything he does. He stated that his wife is not violent, but she yells at him many times. PFC Lingenfelter and I told him we cannot give him "legal advice" for leaving his wife.

I had then gone to speak with the complainants wife. She was holding her daughter at the time of our speaking. The daughters name is [redacted] had told me that there are relationship problems, mostly from him talking to her about leaving her. She stated her husband has left her six times before, but he always comes back. She stated she does not want him in the house if he wants to leave her. If he wants to leave, there is no point for him to stay there and have an argument.

Remarks

I gave both parties a victim services number; to call station 7 victim services personnel if any of them has any questions. PFC Lingenfelter had given the complainant his opinion that the complainant should possibly leave for a while so there is no possibility of further arguments. The complainant agreed that he should leave. The complainant immediately started packing some belongings. He then left to an unknown destination. No further action was taken. Case closed as a service.

Remarks

At 0830 I responded to [redacted] upon arrival, I met the complainant. She stated a phone call came in about 0158. A message was left on the answering machine that to her seemed suspicious. There I met the assistant principal, [redacted] She played the message for me. When hearing the voice, it sounded like a teenage male, possibly 16 or 17 years of age. The message had contained a teacher name, but I could not understand the name the message was directed. I had written down the message I could understand. "I dont even know why I got into trouble... I dont even do nothing... I got beat at home. He beat the hell out of me until I cried." I had listened to the message 2 times. I tried to understand the teachers name the message was directed. It had started with the letter B, and two possible names were [redacted] had stated the elementary school only goes up to 3rd grade. She had given an opinion that the calls may have been directed to Lake Braddock Secondary School. She stated this since the two numbers for the schools are similar. The last 4 digits of Kings Park Elementary School are 7000 and Lake Braddock Secondary School is 1000. [redacted] ran possible names on Microsoft Outlook. She had located a [redacted]

Remarks

I responded to the listed address. I had then met the complainant. He stated at around 0630, three black males were hanging around his Ryder Truck. He did not like it so he had begun to drive away. This occurred at Baellick Rd and Industrial Rd. Upon driving away, he looked in his rearview mirror and saw one black man standing and holding onto the back of his truck. The black male then closed the trailer door. The black male then jumped off the truck, [redacted] just wanted to get out of there, so he was happy the black male was gone. At around 0930, [redacted] heard noises in the back of his truck. He thought it was the other two black males. [redacted] stated he heard someone trying to lift the door back open. [redacted] pulled his truck over, retrieved a rope and tied the door down with the rope. He thought the two black males were in the back of his truck trying to get out. [redacted] then called the police.

Since it was unknown how many people could be in the back of the truck, back up was called. We then posted to the right side of the door with a shotgun in center of the truck. The door was lifted and no one was found inside. There were boxes of cookies. I told the complainant the noises he may have heard were the boxes falling from the shelves as he was driving. We then cleared the scene

Remarks

At 0915 I responded to the listed address. At my arrival, I had noticed a medic unit truck. A medic waved me down and stated the complainant was in the back of the truck. I knocked on the back door and entered. Two medics, names [redacted] of medic 432 were talking to the complainant. The complainant was laying on the bed with his shirt off. He had IV's in his arms. The complainant stated he had taken ecstasy along with drinking 2 beers at a party. I had asked where the party was, but he did not remember. He had walked to the listed address and called the paramedics from his cell phone. The complainant had been complaining of stomach numbness. He also stated he had trouble breathing. He had no chest pain.

The complainant was then transported to Fairfax Hospital with non life threatening injuries. MPO Marshall and I went enroute to Fairfax Hospital to be sure of his health. The Nurse [redacted] had stated she was told by the medics the complainant took a pill about 4 hours ago. The complainant stated to her he did not know what he had taken. The nurse told us he had non life threatening injuries.

MPO Marshall and I then cleared the hospital at 0945

Remarks

I responded to the listed address at 1230 in response to a DOA. Upon arriving at the scene, I met the paramedics that have performed CPR. The names of the paramedics are [redacted] from Engine # 403. They pointed me to the house where I met [redacted] from medic # 403. He was the first one to perform CPR. He had stated there are burns on her right thigh from a heating pad. He had stated the burns are 2nd degree burns. LT Duayne Harmon showed me the body. The body was laying across the bed. Her left shoulder was facing the pillows. Her legs were hanging off the bed with feet resting upon a stool. Around her feet was a telephone cord. [redacted] told me that when he entered the bedroom, her feet were resting on the floor. He had lifted the legs onto the stool for better positioning to perform CPR. As he was lifting the legs, a telephone cord was caught on her feet. The body was facing up. [redacted] told me when he started CPR, the body had no pulse, and the jaw was stiff indicating rigor mortis. The burns on her leg may be caused from her falling asleep on the heating pad.

Remarks

The victim showed at station 7 to make a complaint. I responded to the complaint. I had led her into the interview room. She stated she has been receiving threatening phone calls and text messages. She had met the suspect online at match.com. They started talking with eachother on Friday, September 22. They both decided to meet eachother on Sunday, September 24 at the Borders book store in Tysons Corner. They had talked for a while, but she was not interested in dating him. He was upset and called her a whore and a slut. Since then, the suspect had left over 40 text messages and left numerous voice mails on her cell phone. The suspect had first threatened her on Tuesday, September 26. He had left her a message stating he was going to put her face, telephone number, and home address on a porn website. Distraught of hearing this, the complainant called the suspect back and told him to stop. The victim stated to me that the suspect has been leaving more messages on her cell phone. She stated the suspect said he is going to come to her house and rape her and she is going to like it. Apparently he has also stated he is going to "screw" her in the alley and she is going to

like it. He has also stated many times "we are meant to be together"

The victim stated he has left her over 40 text messages. She had saved one to show me, and it read like this:

OMG. 4 Got to tell u bert part... site allows u to list ur home adres and phone number so I did since u told me wanted that...

[redacted] again

no need to thank me [redacted].. njoy so far 2day 134 hits to ur site

MPO [redacted] had given the suspect a call. He wanted to know the suspects side of the story. The suspect had denied everything. He stated he had not talked to the victim since the Friday they had first talked.

The suspect had not given his information at the time. MPO [redacted] asked him to call back to give his information.

The victim was advised that this case is a misdemeanor, she would have to go get a warrant for the suspect. The victim was not sure if she wanted to press charges against the suspect. She wanted the suspect to leave her alone. At this time, the victim does not wish to prosecute.

MPO [redacted] and I gave the victim our business cards in the event she has questions for us

Remarks

I responded to the listed address. Upon arrival I met the complainant. She stated that 3 laptops from her work had been stolen. The laptops were placed in different places around the corner office of the trailer. In the office, there are three desks pushed closely together. On each desk was one laptop. The complainant also stated the trailer was not locked when she left for the day yesterday. It is usually locked by a bar being locked on the outside of the trailer across the door. The bar was in the upright position. Some one had entered the trailer and taken the laptops. All three laptops had a pulte homes sticker on it. One of the laptops had scratches all over it, and the screen was coming off. I had asked for the serial numbers of the laptops, but the complainant had to email a work partner for them. The person she emailed had not returned her email prior to us leaving the scene

PFC strathers took pictures of the scene. I had taken the film and is currently being sent to crime scene for processing. I had processed for fingerprints on one desk. I found some latent fingerprints on the edge of the desk. The complainant had told me she has never placed her fingers at that

particular spot on the desk. I had taken the fingerprints. The latent fingerprints are being sent to NOVARIS for processing.

MPO [redacted] and I had waited a while longer for the serial numbers for the laptops. The complainant had still not received a reply from her email. [redacted] advised the complainant that a detective will be getting into contact with her in a few days. When the detective gets into contact with her, she should have the serial numbers ready.

I gave the complainant my business card with a case number written on the back. I then cleared the scene.

No canvass had been done. The trailer was isolated. There were no houses near, and no light to see the trailer from the distance of the trailer and the houses. There is a fence blocking the trailer. There is also a steep grade where half the trailer is out of view from the houses.

Remarks

I responded to the listed address in reference to an residential alarm ... Upon arrival I met the complainant. She stated her alarm company called her at work. She was told an alarm at her home was active. The complainant returned home. She looked inside the home herself after seeing an open door. She then waited for police arrival at her doorstep. I asked her if she wanted me to look around the home. She said yes. 731B backed myself and MPO Marshall. We searched the home. Everything appeared to be clear. We then cleared the scene without incident.

Remarks

I responded to the listed address. I met with the victim. She stated that a little boy shot an arrow through her window yesterday. The victim had seen the little boy and a couple other boys and three girls playing outside with a bow and arrow. The victim was cooking at the time. She was in her kitchen when she heard glass break. She then went into her dining room, saw her window broken, and an arrow laying on the ground. The boy had come to her crying, asking the complainant not to tell his parents. The victim stated she would tell his parents, but the boy invited more not to. She promised the boy she would not tell his parents. She then gave the arrow back to the boy and told him to tell his own parents what he had done. I then asked where the children were playing. She led me to the window. The window had been taped. The window had not been replaced yet. The victim pointed out the window from her dining room. The area she pointed to was near an electrical box. The electrical box was about twenty feet from her window. The victim also stated a target was set up. The back of the target was facing her window. The boy had been shooting at the target, which was

When the arrows would come back to the ground, the other children would cover their eyes. [redacted] stated the arrows came back down very close to the children. [redacted] stopped the boy from shooting the arrows. She asked the boy where he lived. Remarks

I responded to the listed address. Upon my arrival I met the complainant. The complainant stated he is the property manager. He was notified of the door glass was broken at the Asian Grill. He was notified at 0730. The complainant then called the victim to notify what had happened. I then spoke to the victim. He stated he left around 2200 hrs last night. He has no suspects in reference to this case.

I looked at the door that had been broken into. The glass had a spider web pattern. There was also a hole that I had estimated to be about 4-5 inches long and 3 inches high. The glass had been bent to the outside. The hole was next to the lock of the door. There was also dirt around the perimeter of the hole.

I then entered the restaurant. There is a desk where the register was. The register had been taken. There was also papers and pictures on the floor by the desk.

There was a backroom where drawers to a table had been opened. The drawers had been left open, but the items inside the drawers were there. On top of the table was a purse with its contents left on the table.

In the office, there were papers and boxes on the ground. There was also a money purse on the ground. No money was in the money purse.

Remarks

I had then walked the victim through the store after PFC Leach processed the scene for fingerprints. I had asked the victim to fill out a property supplement form. He stated that it would take some time to fill it out since there were many items missing. I told him to take his time. MPO Marshall and I told him that we would return later to pick up the property supplement form.

At the time of our return, about 1400 hours, the victim was not at the store. The victims wife was at the restaurant. She tried calling her husband. She had got in contact with her husband over the phone. The victim had taken the property supplement form with him. He said he could not come back to the restaurant at the time, so he asked us if we could come back tomorrow. I told him that a detective would be getting in contact with him in reference to the case. I also told him to have the supplement form ready by tomorrow, so he could give it to the detective.

I had conducted a canvass. These are the results

[redacted]

The canvass had been conducted with negative results

There was an unknown amount of money stolen. The cash register had been stolen, but the victim had no information about the cash register

Remarks

This report is in reference to case number 06244-001572. MPO Marshall and I had given the daughter of the victim a day, September 16, to come into the station and explain her side of the story. She did not come into the station. MPO Marshall and I had waited 20 minutes. We then tried to call her. She did not answer the phone. I left her a message. She did not return the call. On Sunday the 17th, MPO Marshall and I went to the magistrates office to petition for two felony warrants. Both warrants were granted. We then went to the warrant desk to have the warrants inputed in the system.

On September 21, the daughter of the victim has a court date in reference to case number 06244-001145. I notified the victim to advise the deputy in the court there are two felony warrants for her daughter.

Remarks

MPO Marshall and I responded to the listed address. Upon arrival, there was a open door. I knocked and announced. We then entered the dwelling. We continued to search the house. We started at the ground level, moved to the second floor, then went to the basement. After searching, it was determined everything was the secure. I then left a business card stating why I had entered the house. While leaving, I tried to secure the door. The door closes but does not automatically lock. We then cleared the scene

Remarks

I responded to the listed address. I met the victim at her residence. She stated someone had broken her rear windshield wiper. The car had been parked at the intersection of Wadebrook Terrace and Wadebrook Drive when it was vandalized. No canvass was conducted because the car was parked out of view of homeowners. I gave the victim a business card and case number. I then cleared the scene. Victim has no suspects referenced to this case.

Remarks

This case is referenced to case number 06260-00111S. While taking that report, [redacted] stated there was another car that was tampered with. MPO Marshall and I went to view the Dodge Neon. We saw all four wheels missing, all 4 rims missing, the two front windows were smashed, and the left side of the car was held up by a radio. There was glass inside and outside the car. I dusted for fingerprints on all four wheel barrels. It came with no results. MPO Marshall and I located the owner of the car by entering the VIN and tag number into the CAD. I found two lug wrenches. One was across the street. The other was on the right side of the car. The lug wrenches will be held in the property room of station 7. MPO Marshall spoke to the owner/victim of car and told her what we had found. I then left a businesscard with a casenumber on the windshield of the car.

On the back window of the car, there were three stickers. One sticker "National Peace Officers Memorial Service May 15th." Another sticker read "Active Member Fraternal Order of Police." The third sticker read, "Fraternal Order of Police Associate Member 2003."

There are no suspects referenced to this case

Remarks

MPO. Marshall and I responded to the listed address. DPJC notified us that a voice saying "Get the fuck off me" was said by a woman. We responded with full emergency equipment. Once at the location, MPO Marshall and I drew our service weapons and moved to the front door. MPO Marshall knocked on the door. We heard no screaming coming from the house. A woman answered the door and was bewildered of what we were doing at her house. It was then determined no serious threat of injury or death had occured. She stated there are three young boys who knocked on her door and then left. I obtained the other three cell phone numbers used by her family: [redacted]

DPJC had no call back number for the cellphone

We will check with Mrs [redacted] determine if any domestic violence cell phone has been given out in this location

Remarks

I responded to the victims residence. He stated while he was on vacation, the license plate tags from his car had been stolen. He left the car at Edison High School in the Auto Body lot. When he returned from vacation, he received a call from the high school stating his tags had been stolen. I took the victims information about his car and tags. I then entered the tags into NCIC/VCIN. The person I spoke to at teletype is [redacted] ein 8045.

I then advised the victim to go to the DMV and apply for new plates. I then gave the victim my business card with the case number. I also told him to go to the DMV with the case number.

Remarks

I responded to the listed address. Upon arrival in apartment [redacted] I met two paramedics, Kelly Woolf and Scott Schermerhorn. Both paramedics are from FCFD Engine 423. They had told me the subject had been suffering from hypertension and cancer. I then looked at the body. The body was leaning over to the left. He had been sitting on the toilet. His right arm was stretched over to his left side. The head was resting on the countertop. Looking at the body, I noticed lividity and rigormortis had set in. I then looked for possible medication he had been taken. There was medicine in the living room: Altace, Crestor, Protonix, Travatan, Lorazepam, prochlorper, and Endocet. Besides the medication, there was his physicians name and phone number. I called his physician, [redacted]. I asked him to sign the death certificate. [redacted] agreed to sign it.

I then spoke to the complainant, his nephew, who stated he knew there was something wrong when his uncle had not answered the phone. The complainant called the main office for someone to go check in on his uncle. [redacted] entered #105 and found the victim dead.

I then reentered the room to do an inspection of the body. PFC Champ and I

lifted the shirt of the subject to find stabbing wounds or gunshot wounds. We moved the body, leaning the body to get better positioning to lift the shirt on the back. I had found no stab wounds or gunshot wounds. We then placed the body in its original position.

I then spoke to the nephew again and advised him to find a funeral parlor to come pick up his uncle. He would also need to find a burial plot. He advised me he already had plans for the body

MPO Marshall and I gave the complainant our business cards. We then left the scene

Her daughter had apparently gone to school. The complainant stated she received a call from Scott Key Middle School stating her daughter did not go to school. The complainant filled a missing children information clearinghouse report. I then entered the information into VCIN/NCIC files. I then notified LT Joca of the missing juvenile. [redacted] mentioned her daughter has a friend who lives down the street at [redacted]. MPO Marshall and I had gone down to the house and talked to [redacted] with permission from her mom. According to [redacted], she did not know anything. I then called the complainant to ask if her daughter had any means of reaching mom. [redacted] had told me her daughter had just come home. We returned to talk to [redacted]. She stated she was with her boyfriend all day, apparently spending most of the day at WalMART. Her boyfriend is [redacted]. She refused to give more information. MPO Marshall and I talked to her stating what she did was inexcusable. We cleared the scene. I then removed [redacted] from the VCIN/NCIC files. I spoke with Bacon, ein 8168
